Cautionary Statement Regarding Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and contingencies, many of which are beyond our control, and may cause actual results to differ significantly from those expressed in any forward-looking statement. Among others, the following uncertainties and other factors could cause actual results to differ from those set forth in the forward-looking statements: operating costs and business disruption may be greater than expected; the Company's operating results may differ materially from the information presented in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2025, as well as in the Company's other filings with the Securities and Exchange Commission; defaults by borrowers in paying debt service on outstanding indebtedness; borrowers' abilities to manage and stabilize properties; deterioration in the performance of the properties securing our investments (including the impact of higher interest expense, depletion of interest and other reserves or payment-in-kind concessions in lieu of current interest payment obligations, population shifts and migration, reduced demand for office, multifamily, hospitality or retail space) that may cause deterioration in the performance of our investments and, potentially, principal losses to us; the fair value of the Company's investments may be subject to uncertainties (including impacts associated with inflationary trends, the volatility of interest rates and credit spreads, increased market volatility affecting commercial real estate businesses and public securities); the Company's use of leverage and interest rate mismatches between the Company's assets and borrowings could hinder its ability to make distributions and may significantly impact its liquidity position; the timing of and ability to generate additional liquidity and deploy available liquidity, including in senior mortgage loans; whether the Company will achieve its anticipated Distributable Earnings per share (as adjusted), or maintain or produce higher Distributable Earnings per share (as adjusted) in the near term or ever; the Company's ability to maintain or grow the dividend at all in the future; adverse impacts on the Company's corporate revolver, including covenant compliance and borrowing base capacity; adverse impacts on the Company's liquidity, including available capacity under and margin calls on master repurchase facilities; lease payment defaults or deferrals, demands for protective advances and capital expenditures; the ability of the Company to refinance certain mortgage debt on similar terms to those currently existing or at all; the ability to execute CRE CLO's on a go forward basis, including at a reduced cost of capital; whether transactions under letter of intent or contract will close on expected terms, in the expected time period or at all; the impact of legislative, regulatory, tax and competitive changes, regime changes and the actions of government authorities and in particular those affecting the commercial real estate finance and mortgage industry or our business; and the ongoing impacts of global geopolitical uncertainties and unforeseen public health crises on the real estate market. The foregoing list of factors is not exhaustive. Additional information about these and other factors can be found in Part I, Item 1A of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2025, as well as in BrightSpire Capital's other filings with the Securities and Exchange Commission.

We caution investors not to unduly rely on any forward-looking statements. The forward-looking statements speak only as of the date of this press release. BrightSpire Capital is under no duty to update any of these forward-looking statements after the date of this press release, nor to conform prior statements to actual results or revised expectations, and BrightSpire Capital does not intend to do so.
