# ABOUT THE MEETING (FAQS)

## QUESTIONS AND ANSWERS ABOUT THE 2025 ANNUAL MEETING AND VOTING

### Why am I receiving this proxy statement?

This proxy statement contains information related to the solicitation of proxies for use at our 2025 Annual Meeting, to be held as a virtual meeting, via live webcast, at 10:00 a.m., Eastern Time, on Wednesday, May 14, 2025, for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders. This solicitation is made by BrightSpire Capital, Inc. on behalf of our Board. This Proxy Statement will first be made available to stockholders on or about April 1, 2025. You are encouraged to monitor our investor relations website at <https://ir.brightspire.com/> for updated information about the 2025 Annual Meeting.

### Why didn't I automatically receive a paper copy of the Proxy Statement, proxy card and 2025 Annual Report to Stockholders ("Annual Report")?

Pursuant to the U.S. Securities and Exchange Commission's (the "SEC") "notice and access" rules, we have elected to provide access to our proxy materials via the Internet. Accordingly, rather than paper copies of our proxy materials, we are sending a Notice of Internet Availability of Proxy Materials (the "Proxy Notice") to our stockholders that provides instructions on how to access our proxy materials on the Internet.

### How can I receive electronic access to the proxy materials?

The Proxy Notice includes instructions on how to access our proxy materials over the Internet at [www.voteproxy.com](http://www.voteproxy.com) and how to request a printed set of the proxy materials by mail or an electronic set of the proxy materials by email.

In addition, stockholders may request to receive future proxy materials in printed form, by mail, or electronically by email, on an ongoing basis. Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the environmental impact of our Annual Meeting. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive future proxy materials by email will remain in effect until you terminate it.

### Who is entitled to vote at the 2025 Annual Meeting?

Only holders of record of our common stock at the close of business on March 24, 2025, the Record Date for the 2025 Annual Meeting, are entitled to receive notice of the 2025 Annual Meeting and to vote at the meeting. Our common stock constitutes the only class of securities entitled to vote at the meeting.

### What are the voting rights of stockholders?

Holders of our common stock vote together on all proposals for consideration at the 2025 Annual Meeting. Each holder of our common stock outstanding on the Record Date is entitled to one vote per share on each proposal to be voted on.

### Who can attend the 2025 Annual Meeting?

All holders of our common stock at the close of business on March 24, 2025, the Record Date for the 2025 Annual Meeting, or their duly appointed proxies, are authorized to participate in the 2025 Annual Meeting.

### What will constitute a quorum at the 2025 Annual Meeting?

The presence at the meeting, in person (virtually) or by proxy, of holders of our common stock entitled to cast a majority of all the votes entitled to be cast at the meeting will constitute a quorum. We will include abstentions and broker non-votes in the calculation of the number of votes considered to be present and entitled to vote at the meeting for purposes of determining whether a quorum exists. Under applicable New York Stock Exchange ("NYSE") rules (the exchange on which shares of our common stock are traded), brokers holding shares of our common stock for beneficial owners in nominee or "street name" must vote those shares according to the specific instructions they receive from the beneficial owners. However, brokers or nominees holding shares for a beneficial owner who do not receive voting instructions from the beneficial owner may not under the NYSE's rules have discretionary voting power on non-routine matters. In these cases, if no specific voting instructions are provided by the beneficial owner, the broker may not vote on non-routine proposals. This results in what is known as a "broker non-vote."

Broker non-votes may arise in the context of voting for the election of directors, on the advisory vote regarding “say-on-pay”, and on the advisory vote regarding “say-on-pay” frequency, as further described in this proxy statement, because such proposals are considered non-routine matters. Unless specific voting instructions are provided by the beneficial owner, the broker will be unable to vote for the election of directors, on the “say-on-pay” proposal or on the advisory vote regarding “say-on-pay” frequency. Accordingly, we urge stockholders who hold their shares through a broker or other nominee to provide voting instructions so that your shares of common stock may be voted on these proposals.

The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2025 is a matter considered routine under applicable NYSE rules. A broker or other nominee may generally vote on routine matters and, therefore, no broker non-votes are expected to exist in connection with this proposal.

As of the Record Date, there were 130,658,176 shares of our common stock outstanding.

### **How do I vote shares that are held in my name?**

If your shares of common stock are registered directly in your name with our transfer agent, Equiniti Trust Company, you may vote by any of the following means:

- **Internet:** You may vote by internet by visiting the applicable voting website and following the on-screen instructions.
- **Mail:** If you received printed materials and would like to vote by mail, you may vote by mail by completing and signing your proxy card and returning it in the enclosed, prepaid and addressed envelope.
- **In Person (Virtually) at the Annual Meeting:** If you are a “stockholder of record,” you may participate in and vote your shares in person at the virtual meeting by visiting <https://web.lumiconnect.com/219091430>; passcode: brightspire2025 (unique 11-digit control number required). To vote, you will need your control number included in your proxy materials, on the Proxy Notice, your proxy card, or if you received printed materials, on the instructions that accompanied your proxy materials. Please note that even if you plan to virtually attend the 2025 Annual Meeting, we encourage you to submit a proxy in advance to ensure your shares are represented. Your voting in person (virtually) at the 2025 Annual Meeting will automatically result in the revocation of any previously submitted proxy.

### **How do I vote my shares that are held by my broker?**

If your shares are held by a bank, broker, trustee or other nominee, you should follow the instructions provided to you by the bank or broker. Although most banks and brokers offer voting by mail, telephone and on the Internet, availability and specific procedures will depend on their voting arrangements and will be included in the voter instruction form. Alternatively, to participate in and vote your shares at the 2025 Annual Meeting, you must obtain a legal proxy from your broker, bank, trustee or nominee, giving you the right to vote the shares at the meeting, and you will be assigned a virtual control number in order to vote your shares during the 2025 Annual Meeting.

### **How are votes counted?**

Proxies submitted properly by one of the methods discussed above and not subsequently revoked, will be voted as directed by you. If your properly signed proxy does not provide specific voting instructions, the persons designated as proxy holders on the proxy card will vote (1) “**FOR**” each nominee for director, (2) “**FOR**” the advisory approval of the resolution approving the compensation of our named executive officers as of December 31, 2024, (3) “**FOR**” “**EVERY YEAR**” on the advisory vote recommending the frequency of the advisory vote on the compensation of our named executive officers, (4) “**FOR**” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2025, and as recommended by our Board with regard to any other matters that may properly come before the meeting, or, if no such recommendation is given, in such proxy holder’s own discretion.

### **May I revoke my vote after I return my proxy card?**

Yes. You may revoke a previously granted proxy at any time before it is exercised by (i) filing with David A. Palamé, our General Counsel and Secretary, a notice of revocation or a duly executed proxy bearing a later date or (ii) attending the virtual meeting and voting in person. Attendance at the meeting alone will not act to revoke a prior proxy. Notices of revocation or later dated proxies should be sent to the following address: David A. Palamé, General Counsel and Secretary, BrightSpire Capital, Inc., 590 Madison Ave., 33rd Floor, New York, New York 10022.

## Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies. In addition to soliciting proxies by mail, our officers, directors and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse such persons' out-of-pocket expenses. We have retained D.F. King & Co., Inc. at an aggregate estimated cost of \$12,500, plus out-of-pocket expenses, to assist in the solicitation of proxies.

## How many votes are required to approve the proposals?

The affirmative vote of a majority of the total votes cast for and against such nominee at a meeting duly called and at which a quorum is present is required for the election of a director, unless there is a contested election, in which case directors shall be elected by a plurality of votes cast at a meeting. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted "for" the election of a director must exceed the number of shares that are cast and are voted "against" the election of a director. In any uncontested election of a director, any incumbent director who does not receive a majority of the votes cast with respect to the election of such director shall tender his or her resignation within three days after certification of the results, in accordance with the Company's written corporate governance guidelines. For purposes of the election of directors, pursuant to our organizational documents and Maryland state law, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the votes cast at the meeting is required for approval of the advisory "say on pay" proposal regarding the compensation of our named executive officers. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted "for" the proposal must exceed the number of shares that are cast and are voted "against" the proposal. For purposes of the vote on this proposal, pursuant to our organizational documents and Maryland state law, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the votes cast at the meeting is required for approval, on an advisory basis, of the frequency of holding the say-on-pay vote in the future. Because stockholders have several voting choices, it is possible that no single choice will receive a majority of the votes cast. In the event no option receives a majority of the votes cast, the option receiving the most votes cast on the proposal will be deemed the preferred option of stockholders. For purposes of the vote on this proposal, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the votes cast at the meeting is required for approval of the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2025. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted "for" the proposal must exceed the number of shares that are cast and are voted "against" the proposal. For purposes of the vote on this proposal, pursuant to our organizational documents and Maryland state law, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

## What are the Board's recommendations?

The Board's recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- **Proposal 1: FOR** the election of each of the nominees for director specified in this proxy statement;
- **Proposal 2: FOR** the non-binding advisory approval of the resolution approving the compensation of our named executive officers as of December 31, 2024;
- **Proposal 3: FOR EVERY YEAR** on the non-binding advisory vote on the frequency of the advisory vote on compensation for our named executive officers; and
- **Proposal 4: FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2025.

### Employee Matters and Culture

We are committed to maintaining a positive work environment in which employee accountability, growth, advancement and equal employment opportunity are very important. We strive to recognize and reward noteworthy performance, evaluated through periodic (no less frequent than annual) reviews with each employee. We seek to attract and retain the most relevant and skilled employees by offering competitive compensation and benefits, including fixed and variable pay, including base salary, cash bonuses, equity-based compensation consistent with employee position and seniority, 401(k) matching and opportunities for merit-based increases.

We maintain policies that reinforce and enhance its commitment to high ethical standards, corporate governance and internal controls, to provide the best and most competitive service to our customers in order to enhance stockholder value. We promote a workplace that is free of harassment and discriminatory and retaliatory practices. In keeping with these priorities, we maintain an open-door policy for conflict management and require periodic (no less frequent than annual) interactive harassment prevention training for both managers and employees consistent with applicable state and local laws. We regularly re-evaluate our policies covering codes of ethics, corporate governance, disclosure controls, anti-discrimination, harassment, retaliation and related complaint procedures, insider trading, and related party transaction activity.

We maintain a co-employer partnership with Trinet (a professional employer organization). Trinet administers pay and other employment services, allowing us to maximize human resource administration and enhance the diversity and strength of benefits provided to employees. Through Trinet, employees have access to an extensive health and wellness platform, including live, personal and mental health counseling, family, financial and career planning resources, as well as a broad-based marketplace offering technology products, travel, entertainment, dining, fitness and other services at significantly discounted prices.

### Our Commitment to Charity

We maintain a commitment to corporate giving to national and local associations in the communities in which we live and conduct business. We support certain charitable matching of contributions made by employees, encouraging a unified culture acting together. Specifically, we implemented a charitable gift matching program through Groundswell, an enterprise philanthropy-as-a-service administrative partner, to support the eligible donations made by our employees to certified 501(c)(3) organizations in our local communities. In addition, our employees annually team up to support Toys for Tots and other charitable fundraising endeavors such as Cycle for Survival.

## OUR INVESTMENT STRATEGY

Our objective is to generate consistent and attractive risk-adjusted returns to our stockholders. We seek to achieve this objective primarily through cash distributions and the preservation of invested capital. We believe our investment strategy provides flexibility through economic cycles to achieve attractive risk-adjusted returns. This approach is driven by a disciplined investment strategy, focused on:

- ⇒ leveraging long standing relationships, our organization structure and the experience of the team;
- ⇒ the underlying real estate and market dynamics to identify investments with attractive risk-return profiles;
- ⇒ primarily originating and structuring CRE senior loans and selective investments in mezzanine loans and preferred equity with attractive return profiles relative to the underlying value and financial operating performance of the real estate collateral, given the strength and quality of the sponsorship;
- ⇒ structuring transactions with a prudent amount of leverage, if any, given the risk of the underlying asset's cash flows, attempting to match the structure and duration of the financing with the underlying asset's cash flows, including through the use of hedges, as appropriate; and
- ⇒ operating our net leased real estate investments and selectively pursuing new investments based on property location and purpose, tenant credit quality, market lease rates and potential appreciation of, and alternative uses for, the real estate.

The period for which we intend to hold our investments will vary depending on the type of asset, interest rates, investment performance, micro and macro real estate environment, capital markets and credit availability, among other factors. We generally expect to hold debt investments until the stated maturity and equity investments in accordance with each investment's proposed business plan. We may sell all or a partial ownership interest in an investment before the end of the expected holding period if we believe that market conditions have maximized its value to us or the sale of the asset would otherwise be in the best interests of our stockholders.

Our investment strategy is flexible, enabling us to adapt to shifts in economic, real estate and capital market conditions and to exploit market inefficiencies. We may expand or change our investment strategy or target assets over time in response to opportunities available in different economic and capital market conditions. This flexibility in our investment strategy allows us to employ a customized, solutions-oriented approach, which we believe is attractive to borrowers and tenants. We believe that our diverse portfolio, our ability to originate, acquire and manage our target assets and the flexibility of our investment strategy positions us to capitalize on market inefficiencies and generate attractive long-term risk-adjusted returns for our stockholders through a variety of market conditions and economic cycles.

## **CYBERSECURITY**

We consider our information technology (“IT”) and information systems to be valuable and vital assets and must be protected as such. We maintain a series of policies and supporting procedures designed to help ensure the security and confidentiality of our IT and information systems and to help ensure that they are properly protected from a variety of threats such as error, fraud, embezzlement, sabotage, terrorism, extortion, industrial espionage, service interruption, and natural disaster. Information is protected according to its sensitivity, value, and criticality with particular focus given to protecting confidential

information, such as personal identifying information, unpublished financial results and other data deemed proprietary to us. Our cybersecurity network, including management, employees and service providers, prioritizes protecting and otherwise managing our information assets, and recognizes that information security is an important part of our business.

Our cybersecurity risk management program is a key component of our broader enterprise risk management (“ERM”) infrastructure. Cybersecurity and information security, administered by our Head of IT and BrightSpire IT Partner (each, as defined below), is a key component of our broader ERM program, which includes diverse internal management, financial reporting, legal, compliance and risk management controls, policies and procedures primarily under the supervision of senior management. The results of our ERM layers of management control, risk control and compliance oversight and independent assurances are reviewed with senior management, our Audit Committee (independent directors, primarily responsible for oversight of our overall risk profile and risk management policies) and Board of Directors quarterly.

We have focused on the following cybersecurity initiatives.

- ⇒ **Responsible Parties:** We engaged a global leader in end-to-end IT solutions (the “BrightSpire IT Partner”) to advance and maintain a comprehensive cybersecurity program. Our cybersecurity program is designed to leverage certain information security standards, such as those issued by the National Institute of Standards and Technology, and the International Organization for Standardization. We also have a dedicated senior employee to lead IT (“Head of IT”) oversight and functions, together with our Chief Financial Officer, General Counsel (together, the “Information Security Group”) and aforementioned BrightSpire IT Partner. Benefits provided by the Head of IT and BrightSpire IT Partner include a significant reduction in critical vulnerabilities, cost effective governance and risk services, current expertise/awareness to model, adapt and mitigate new threats, leverage of internal team resources to focus on business priorities, and addressing evolving regulatory requirements. Our response plans require prompt notification to the Information Security Group in the event of a significant cybersecurity incident and prompt briefings on further developments as appropriate. Other members of management and team leaders assist in incident response efforts as well.
- ⇒ **Cybersecurity Risk Management (“CRM”) Program:** The CRM program includes: (i) implementation of hardware and software infrastructure, primarily cloud based; (ii) “security first” approach to policies, processes and procedures (including general IT and security, information security, business continuity and incident response policies and plans); (iii) employee education, training and periodic testing and patching; and (iv) assessments of internal resources and diligence of external vendors and systems. Business continuity, disaster recovery and incident response procedures prioritize constant communication and follow a multi-step program including identification, preparation, implementation and resolution.
- ⇒ **Cloud Services:** We maintain our company data and communication services with a leading cloud-based service provider, security systems and protected environment. Employees working from home may only connect and conduct business activities through a virtual private network (VPN).
- ⇒ **Security First Approach:** Our cloud-based systems take a security first approach, including: (i) Perimeter Security (firewalls, antivirus, malware); (ii) Network Security (secure remote access, network patch management); (iii) Application Security (patch management, multi-factor authentication); (iv) Endpoint Security (email security/ encryption, web filtering & URL defense, mobile device management); and (v) Data Security.

**Cybersecurity Systems Review.** We regularly review our cybersecurity systems, policies and procedures through a series of channels, including but not limited to our Audit Committee and Board of Directors, the BrightSpire IT Partner, our internal Information Security Group, our internal financial auditor, and outside counsel.

- ⇒ Our Audit Committee and Board of Directors play an active role in reviewing our cybersecurity initiatives. The BrightSpire IT Partner provides our Board an annual review of our cybersecurity governance and risk management program, security metrics relevant to the period in review and provides the Audit Committee and Board updates regarding the cybersecurity threat landscape. In coordination with the Information Security Group, the General Counsel provides reports of significant cybersecurity incidents and cybersecurity threats (if any) at each quarterly meeting of the Audit Committee and Board or ad hoc as appropriate.
- ⇒ The BrightSpire IT Partner has established itself as a provider of managed services and technology solutions for over two decades, providing 24/7 oversight and services, including continuous testing and vulnerability scanning. The BrightSpire IT Partner also performs annual due diligence of key vendors on a rotating basis (including System and Organization Controls (SOC) report reviews, or alternatively solicits detailed questionnaires to evaluate such vendors cybersecurity preparedness and protections).
- ⇒ Our Head of IT has over two decades of experience in IT and cybersecurity work and developed and implemented our cybersecurity program with the BrightSpire IT Partner. Together with our Head of IT, the Information Security Group considers current cybersecurity trends and threats, including through discussions with the BrightSpire IT Partner, outside cybersecurity counsel, our independent financial auditor and internal auditor. The Information Security Group undertakes table-top business disruption, disaster recovery and related response strategies and plans on a periodic basis and seeks to review and update applicable policies and procedures at least annually.

**No Material Incidents.** As of December 31, 2024, we have not experienced any material risks from cybersecurity threats, including as a result of any previous cybersecurity incidents or threats, that have materially affected the business strategy, results of operations or financial condition of the Company or are reasonably likely to have such a material effect. Since inception in January 2018, we are not aware of any cybersecurity or information security incidents that have materially affected us to date. We have not incurred any expenses due to material information security incident penalties or settlements. However, evolving cybersecurity threats make it increasingly challenging to anticipate, detect, and defend against cybersecurity threats and incidents.

**Cyber Liability Insurance.** Through consultant driven data, analytics and peer benchmarking, we secured and maintain specific coverage to mitigate certain losses associated with cyber-attacks and other information security incidents, addressing both first-party and third-party losses from incident response, including for example, cyber extortion, data loss, business interruption, contingent business interruption, regulatory penalties, media liability, social engineering coverage, system failures and bricking/hardware replacement.

## STOCKHOLDER ENGAGEMENT

We value our stockholders' perspectives on our business and interact with stockholders through numerous engagement activities. These engagement activities, and the perspectives we learn, are informative and helpful to us in our ongoing efforts managing the business. Throughout 2024, members of executive management had meetings with Company stockholders (including but not limited to our largest stockholders), shareholder service firms, and analyst and investment stewardship groups. The (i) implementation of the 2024 Annual Incentive Plan (and associated financial performance metrics) and allocation of performance restricted stock units as part of our 2024 equity grants to named executive officers, each as described in further detail in the Compensation Discussion & Analysis below, (ii) enhanced portfolio and asset disclosures in our publicly filed periodic reports, and (iii) our defensive posture in the current market, are each examples of strategic and/or business development efforts influenced by such communications.

Our Board currently consists of six members. Based on the recommendation of the Nominating and Corporate Governance Committee, our Board has unanimously recommended that the following six persons be elected to serve on our Board from and after the 2025 Annual Meeting and until the 2026 annual meeting of stockholders and until his or her successor is duly elected and qualified: Catherine D. Rice, Kim S. Diamond, Catherine Long, Vernon B. Schwartz, John E. Westerfield, and Michael J. Mazzei. Mses. Rice, Diamond and Long and Messrs. Schwartz, Westerfield and Mazzei are all current directors of the Company.

The Board recognizes the value of diversity in Board composition, including personal factors and professional characteristics such as a director's industry, area of expertise and geographic location, each as noted in further detail on page 16 below.

Our Board has affirmatively determined that the following five director nominees are "independent" directors under the rules of the NYSE and under applicable rules of the U.S. Securities and Exchange Commission (the "SEC"): Catherine D. Rice, Kim S. Diamond, Catherine Long, Vernon B. Schwartz, and John E. Westerfield. Upon election at the 2025 Annual Meeting, 83.3% of the Board will be represented by independent directors.

Our Board knows of no reason why any nominee would be unable to serve as a director. If any nominee is unavailable for election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board, or the Board may, as permitted by our bylaws, decrease the size of our Board.

### **Vote Required and Recommendation**

The affirmative vote of a majority of the total votes cast for and against each nominee for director at the meeting is required for the election of such nominee as a director. For the purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. See "*About the Meeting (FAQs) – How many votes are required to approve the proposals?*" for additional information regarding the required vote for this proposal.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"

## CORPORATE GOVERNANCE

### CORPORATE GOVERNANCE GUIDELINES, CODES OF ETHICS AND COMMITTEE CHARTERS

We are committed to strong corporate governance practices and, as such, we have adopted our Corporate Governance Guidelines and Codes of Ethics discussed below to enhance our corporate governance effectiveness. Our Board maintains charters for all Board committees. These guidelines, codes and our committee charters are available on our website at [www.brightspire.com](http://www.brightspire.com) under the heading “Shareholders—Corporate Governance.” You can also receive a copy of our Corporate Governance Guidelines and Codes of Ethics, without charge, by writing to the General Counsel at BrightSpire Capital, Inc., 590 Madison Avenue, 33rd Floor, New York, New York 10022.

Our Corporate Governance Guidelines are designed to assist our Board in exercising its responsibilities. Our Corporate Governance Guidelines govern, among other things, Board composition, Board member qualifications, responsibilities and education, management succession and self-evaluation. Our Code of Business Conduct and Ethics relates to the conduct of our business by our employees, officers and directors. We seek to maintain high standards of ethical business practices and compliance with all laws and regulations applicable to our business, including those related to doing business outside the United States. Our Code of Business Conduct and Ethics is designed to avoid situations in which personal interests’ conflict, or have the appearance of conflicting, with those of the Company. Among other things, our Code of Business Conduct and Ethics prohibits our directors, executive officers and employees, among other persons (“covered persons”), from providing gifts, meals or anything of value to government officials or employees or members of their families in connection with our business without prior written approval from the Company’s General Counsel or Chief Executive Officer. We have also adopted a Code of Ethics for Senior Financial Officers, which applies to our Chief Executive Officer, Chief Financial Officer and other senior financial and accounting officers of the Company performing similar functions who have been identified by the Chief Executive Officer from time to time. Any waiver of the Code of Business Conduct and Ethics for our executive officers or directors may be made only by the Audit Committee or another committee of the Board of Directors comprised solely of independent directors or a majority of independent directors. We will disclose on our website any amendments to our Corporate Governance Guidelines, Codes of Ethics or committee charters or waivers from our Codes of Ethics applicable to any of our directors and executive officers that would otherwise be required to be disclosed under the rules of the SEC or the NYSE.

### DIRECTOR INDEPENDENCE

Of our six directors being nominated for re-election by our Board, our Board has affirmatively determined that Meses. Rice, Diamond and Long and Messrs. Schwartz and Westerfield are independent under the NYSE rules and under applicable rules of the SEC. In determining director independence, our Board reviewed, among other things, any transactions or relationships that currently exist or that have existed, between each director and the Company and its subsidiaries, affiliates and equity investors, independent auditors or members of senior management. In particular, our Board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director’s immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests under the NYSE rules for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

### BOARD LEADERSHIP STRUCTURE

Our Board believes it is important to select its Chairperson and the Company’s Chief Executive Officer in the manner it considers to be in the best interests of the Company at any given point in time. The members of our Board possess considerable and diversified business experience and in-depth knowledge of the issues the Company faces, and are therefore in the best position to evaluate the needs of the Company and how best to organize the Company’s leadership structure to meet those needs.

After careful consideration, our Board believes that the most effective leadership structure for the Company is to maintain separate the roles of Chairperson and Chief Executive Officer. Currently, Ms. Catherine D. Rice serves as our Chairperson and Mr. Mazzei serves as our Chief Executive Officer.

The Nominating & Corporate Governance Committee and Board have nominated Ms. Rice to continue to serve as Independent Chairperson upon re-election at the 2025 Annual Meeting, and believes we will benefit from her independence, experience, knowledge, leadership and vision. Our Board believes that having Mr. Mazzei as Chief Executive Officer, with over 35 years of experience in commercial real estate finance and having served as executive officer, director and in other senior

leadership positions at a series of commercial real estate financing and banking institutions, best serves the interests of the Company. Our Board periodically evaluates the Company's leadership structure and will periodically evaluate the Chairperson and Chief Executive Officer positions, including determining whether the separate roles continue to serve the best interests of the Company.

#### **INDEPENDENT CHAIRPERSON**

To promote the independence of our Board and appropriate oversight of management, Ms. Rice has served as Independent Chairperson since May 2021 to facilitate free and open discussion and communication among the independent directors of our Board and management. The Nominating & Corporate Governance Committee and Board has nominated Ms. Rice to serve as Independent Chairperson of the Company upon re-election. Since inception in January 2018 until May 2021, Ms. Rice previously served as lead independent director. The Independent Chairperson shall handle comprehensive responsibilities leading the Board as well as preside at all executive sessions at which only non-management directors are present. These meetings are held in conjunction with the regularly scheduled quarterly meetings of our Board, but may be called at any time by our Independent Chairperson or any of our other independent directors. In 2024, our independent directors met four (4) times in executive session without management present following Board and/or committee meetings and met outside of regularly scheduled Board and committee meetings on certain occasions. If applicable, our Independent Chairperson will discuss issues that arise during those meetings with our Chief Executive Officer. Our Independent Chairperson also discusses Board meeting agendas with our Secretary and may request the inclusion of additional agenda items for meetings of our Board. Since establishing the Independent Chairperson role, the Company will not maintain a separate additional lead independent director role.

#### **BOARD'S ROLE IN RISK OVERSIGHT**

Risk is inherent with every business and how well a business manages risk can ultimately determine its success. Our management team is responsible for our risk exposures on a day-to-day basis by identifying the material risks we face (including, but not limited to, legal, regulatory and cybersecurity risks), implementing appropriate risk management strategies that are responsive to our risk profile, integrating consideration of risk, risk ratings and risk management into our decision making process and, if necessary, promulgating policies and procedures to ensure that information with respect to material risks is communicated to our Board. Our Board, as a whole and through its committees, has the responsibility to oversee and monitor these risk management processes by informing itself of material risks and evaluating whether management has reasonable controls in place to address the material risks. Our Board is not responsible, however, for defining or managing our various risks. Our Board is regularly informed by management of potential material risks and activities related to those risks at Board and/or committee meetings. Members of our management team generally attend all Board meetings and are readily available to our Board to address any questions or concerns raised by our Board on risk management and any other matters.

Our Audit Committee assists the Board's oversight of the integrity of our financial statements and financial reporting process, our compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our internal audit function and independent registered public accounting firm. In addition, the Audit Committee has established and maintains procedures for the receipt of complaints and submissions of concerns regarding accounting and auditing matters. Pursuant to its charter, the Audit Committee also considers our policies with respect to financial reporting risk assessment and risk management.

In addition, the Compensation Committee also ensures that compensation plans are designed with an appropriate balance of risk and reward in relation to the Company's overall business strategy and do not encourage excessive or unnecessary risk taking behavior.

## **VOTING STANDARD FOR ELECTION OF DIRECTORS**

Our bylaws provide that, in any uncontested election of directors, a director nominee will be elected by a majority of all of the votes cast for and against such nominee at a meeting of stockholders duly called and at which a quorum is present. If in any uncontested election of directors an incumbent director does not receive a majority of the votes cast by stockholders entitled to vote with respect to the election of that director, our Corporate Governance Guidelines require such director to tender his or her resignation within three days after certification of the results. To the extent that one or more directors' resignations are accepted by the Board, the Nominating and Corporate Governance Committee will recommend to the Board whether to fill such vacancy or vacancies or to reduce the size of the Board. In any contested election of directors, directors will be elected by a plurality of votes cast at a meeting of stockholders.

## **DIRECTORS OFFER OF RESIGNATION POLICY**

Our Corporate Governance Guidelines provide that, whenever a member of the Board (i) accepts a position with a company that is competitive to the business(es) then engaged in by the Company or (ii) violates the Company's Code of Business Conduct and Ethics, Corporate Governance Guidelines or any other Company policy applicable to the members of the Board from time to time, he or she shall offer his or her resignation to the Nominating and Corporate Governance Committee. The director shall be expected to act in accordance with the Nominating and Corporate Governance Committee's recommendation in this regard.

## **DIRECTOR NOMINATION PROCEDURES**

The Board has adopted the charter of the Nominating and Corporate Governance Committee that sets forth the criteria to be used for considering potential director candidates. The criteria further the Nominating and Corporate Governance Committee's goal of ensuring that our Board consists of a diversified group of qualified individuals that function effectively as a group. The policy provides that qualifications and credentials for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board. However, at a minimum, candidates for director must have the highest personal and professional integrity, a demonstrated exceptional ability and judgment and an ability to be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the Company and its stockholders.

In addition to the aforementioned qualifications, the Nominating and Corporate Governance Committee shall assess the nominee's independence and may consider, among other things, the following, all in the context of an assessment of the perceived needs of the Board at that time:

- ⇒ diversity, age, background, skill and experience;
- ⇒ personal qualities, high ethical standards and characteristics, accomplishments and reputation in the business community;
- ⇒ knowledge and contacts in the communities in which the Company conducts business and in the Company's industry or other industries relevant to the Company's business;
- ⇒ ability and willingness to devote sufficient time to serve on the Board and committees of the Board;
- ⇒ knowledge and expertise in various areas deemed appropriate by the Board; and
- ⇒ fit of the individual's skills, experience and personality with those of other directors in maintaining an effective, collegial and responsive Board.

The Nominating and Corporate Governance Committee will seek to identify director candidates based on input provided by a number of sources, including (a) Nominating and Corporate Governance Committee members, (b) other members of the Board and (c) stockholders of the Company. All candidates submitted by stockholders will be evaluated in the same manner as all other director candidates, provided that the advance notice and other requirements set forth in our bylaws have been followed. The Nominating and Corporate Governance Committee also has the authority to consult with or retain advisors or search firms as it deems necessary or appropriate in its sole discretion, including any search firm to assist in the identification of qualified director candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified director candidates.

**COMMUNICATIONS WITH OUR BOARD**

Our Board has established a process to receive communications from interested parties, including stockholders. Interested parties may contact the Independent Chairperson or any other member or all members of our Board by writing to any of them at c/o General Counsel at BrightSpire Capital, Inc., 590 Madison Avenue, 33rd Floor, New York, New York 10022. All such communications received by the office of our General Counsel will be opened solely for the purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee(s). The Independent Chairperson will decide what action should be taken with respect to the communication, including whether such communication should be reported to the Board.

**POLICY FOR REVIEW OF RELATED PERSON TRANSACTIONS**

Pursuant to our Audit Committee's charter, our Audit Committee must review reports and disclosures of related party transactions and consider any potential conflicts of interest involving our executive officers or any member of our Board. The Audit Committee must review and consider for approval any related party transaction between us and any executive officer or director. When reviewing and evaluating a related party transaction, our Audit Committee may consider, among other things, any effect a transaction may have upon a director's independence, whether the transaction involves terms and conditions that are no less favorable to us than those that could be obtained in a transaction between us and an unrelated third party and the nature of any director's or officer's involvement in the transaction. In the event any such related party transaction involves a member of the Audit Committee, the transaction must be approved by a majority of the disinterested members of the Audit Committee.

To facilitate our Audit Committee's review of related party transactions, on an annual basis, each director and executive officer is obligated to complete a director and officer questionnaire which requires disclosure of any transactions with us in which the director or executive officer or any member of his or her immediate family, has an interest. In addition, pursuant to our Code of Business Conduct and Ethics, all potential conflict of interest situations, including related party transactions, must be disclosed to our General Counsel. To the extent any such potential conflict of interest disclosed to our General Counsel is a proposed related party transaction, the General Counsel will communicate such conflict and the proposed transaction to the Audit Committee. Further, our General Counsel will notify the members of our Audit Committee promptly of any material changes to previously approved or conditionally approved related party transactions.

See "*Certain Relationships and Related Transactions*" for a description of our related party and certain other transactions.

**POLICY PROHIBITING HEDGING AND PLEDGING OF COMPANY SECURITIES**

Pursuant to our Policy on Inside Information and Insider Trading, our directors and employees, including our named executive officers, are prohibited from engaging in the following transactions: (i) trading in call or put options involving our securities and other derivative securities; (ii) engaging in short sales of our securities; (iii) holding our securities in a margin account; (iv) other hedging or monetization transactions related to the Company's securities, including the use of financial instruments such as prepaid variable forwards, equity swaps, collars and exchange funds; and (v) pledging our securities to secure margins or other loans, subject to limited exceptions.

## DIRECTOR COMPENSATION

### DETERMINATION OF COMPENSATION AWARDS

The Compensation Committee has responsibility for making recommendations to our Board regarding non-employee director compensation. Our goal is the creation of a reasonable and balanced Board compensation program that aligns the interests of our Board with those of our stockholders. We use a combination of cash and stock-based compensation to attract and retain highly-qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties to us, the skill level required by us of members of our Board and competitive pay practice data. The Compensation Committee discusses its recommendations with the Company's Chief Executive Officer and ultimately makes a recommendation to our Board with respect to all non-employee director compensation. The Compensation Committee has previously engaged FTI Consulting between 2018 and 2023, and subsequently Ferguson Partners in December 2023 through the date hereof, as compensation consultants to assist it in reviewing competitive pay practice data regarding non-employee director compensation and to advise it in connection with making recommendations to our Board with respect to the amount and form of such compensation. The Compensation Committee has maintained the policy and compensation in the form described below since 2018.

### NON-EXECUTIVE NON-EMPLOYEE DIRECTOR COMPENSATION POLICY

Effective February 2018, the Board adopted a "Non-Executive Independent Director Compensation Policy" that provides that each non-executive director of the Board receives an annual base fee for his or her services of \$180,000, with \$80,000 payable in cash in quarterly installments in conjunction with quarterly meetings of the Board and \$100,000 payable in the form of an annual award of restricted stock, which will vest in full on the one-year anniversary of the date of grant (anticipated to occur shortly after each annual election of directors), subject to the director's continued service on the Board. In addition, the chairs of each of the Audit, Compensation, and Nominating and Corporate Governance Committees receive an additional annual cash retainer of \$20,000, \$15,000 and \$15,000, respectively, and the Independent Chairperson receives an additional annual cash retainer of \$20,000. The Company also reimburses each of the directors for their travel expenses incurred in connection with their attendance at Board and committee meetings.

# EXECUTIVE COMPENSATION

This section consists of our Compensation Discussion and Analysis, which explains our named executive officer compensation for 2024, and compensation tables and accompanying notes that detail the specific amounts and types of compensation we paid to such individuals for the most recent three completed fiscal years, as applicable.

## COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee maintains a comprehensive executive compensation program designed to attract and retain the best talent. The program includes pay for performance measures to align executive officers and stockholders by linking compensation to short-term and long-term corporate performance, financial and strategic goals, and to ensure fair, equitable and competitive pay practices. The Compensation Committee, in consultation with the Company's independent compensation consultant and Chief Executive Officer, maintains performance-based compensation for named executive officers as follows (each as described in further detail below):

- (i) **2024 Annual Incentive Plan:** for 2024, adopted an annual cash incentive plan with (x) 70% weighted to fixed financial Company performance metrics and (y) 30% weighted toward subjective individual performance, for annual cash incentive award determinations (the "2024 Annual Incentive Plan"), which subject to certain waivers by our named executive officers was paid partly in the form of stock-in-lieu of cash (as described in further detail below), and
- (ii) **2024 Long-Term Incentive Plan Awards with 3-Year Performance Restricted Stock Units:** for long-term incentive plan awards in 2024, allocated between (x) 50% time-vesting restricted stock (vesting in equal annual installments over 3 years) and (y) 50% performance restricted stock units (testing total shareholder return over a 3-year testing period on a relative basis against a performance peer group).

Our named executive officers (each, an "NEO", or "NEOs") for 2024 were:

- ⇒ **Michael J. Mazzei**, our Chief Executive Officer;
- ⇒ **Andrew E. Witt**, our President and Chief Operating Officer;
- ⇒ **Frank V. Saracino**, our Chief Financial Officer, Treasurer and Executive Vice President; and
- ⇒ **David A. Palamé**, our General Counsel, Secretary and Executive Vice President.

### Compensation Philosophy

The primary goal of the Compensation Committee, the Board of Directors and the Company's executive compensation program is to seek to align the interests of our professionals (including our executive officers) with those of our stockholders. In setting compensation for its professionals, the Company takes into consideration quantitative, qualitative and individual factors in determining the total compensation payable to such professionals, including:

- ⇒ reviewing Company performance and results for the applicable fiscal year;
- ⇒ evaluating the type, scope and level of responsibility of the professional on behalf of the Company and its subsidiaries;
- ⇒ balancing elements of reward and retention to motivate sustainable Company and investment performance (including executive officer targets, which are majority-weighted toward at risk compensation);
- ⇒ implementing pay-for-performance elements (including short-term and long-term corporate performance, financial and strategic goals) to further align the interests of executives with our stockholders; and
- ⇒ understanding market conditions and integrating peer group analysis and benchmarking to ensure fair, equitable and competitive pay practices.

Qualitative factors may include portfolio-related performance (including credit risk and analysis), operating performance, investment and asset management achievements, capital raising efforts, investor relations, business development, risk management policies and practices, legal, tax and regulatory compliance and maintaining sound information security and cybersecurity policies and controls. Individual factors may include contributions to the success and development of the Company, leadership and development efforts and corporate citizenship. Satisfaction of any single or all variables will not necessarily be determinative alone at arriving at the overall award for any NEO and the Compensation Committee reserves its

right in setting targets and issuing its judgment in determining whether targets are achieved and/or making equity awards, if any.

### **Elements of Compensation**

Our executive compensation program consists of salary and a majority weighting toward variable pay components, including annual cash incentive and long-term incentive awards (which includes performance-based metrics).

- ⇒ Annual Base Salary (fixed). We believe base salary provides a stable income at competitive levels reflective of role, responsibilities, experience and to motivate the continued service of our NEOs.
- ⇒ Annual Cash Incentive Awards (variable). The Compensation Committee implemented the 2024 Annual Incentive Plan, with pay-for-performance compensation objectives, to attract, retain and competitively reward our NEOs.
- ⇒ Long-Term Incentive Plan (“LTIP”) Awards (variable / equity-based, time-based vesting and performance-based vesting). We may award equity-based and cash-based awards under the Company’s 2022 Equity Incentive Plan, as amended (the “2022 Plan”). These awards are designed to align the interests of eligible individuals with those of our stockholders and to provide incentive to stimulate their efforts toward the success of the Company, its long-term growth and profitability.

### **Executive Compensation Program Highlights**

In summary, the Company’s executive compensation program INCLUDES:

- ☑ Pay-for-Performance. The majority value of total compensation is tied to performance (while employment terms include minimum targets, they are not guaranteed). 2024 base salaries comprise a small percentage of each NEOs overall compensation for 2024.

<b>2024 Compensation Element</b>	<b>Type of Compensation</b>	<b>Chief Executive Officer %</b>	<b>Other NEO % (average)</b>
Annual Base Salary	Fixed	14%	19%
Annual Incentive Awards	Variable / Cash & Equity-Based	31%	30%
Long-Term Incentive Plan Awards <sup>(1)</sup>	Variable / Equity-Based	55%	51%
Total		100%	100%

**Independent Compensation Consultant**

The Compensation Committee has engaged an independent compensation consultant to assist it in reviewing the competitiveness of non-executive director compensation and our executive compensation programs, considering the overall design of the compensation programs and providing compensation advice independent of company management. In December 2023, the Compensation Committee engaged Ferguson Partners as an independent consultant to advise on the year end administration of the 2023 Annual Incentive Plan, the implementation of the 2024 Annual Incentive Plan and related matters on a go-forward basis. Representatives of Ferguson Partners have and will continue to provide assistance to the Compensation Committee with respect to various matters, including: (i) a benchmarking review of peer company executive compensation; (ii) annual incentive plan structuring and awards; (iii) evaluating the elements and design of various aspects of our compensation program; (iv) assisting in peer group development; and (v) assisting in the design and review of employment agreements, severance and similar arrangements for certain of our senior executives and the Company generally. Ferguson Partners has not provided any other services to us, except as may be pre-approved by the Chair of the Compensation Committee.

**Peers and Peer Benchmarking**

For 2024, the Compensation Committee selected the following companies for executive compensation peer benchmarking (the "Executive Compensation Peers"), with a primary focus on internalized mortgage and diversified REITs of reasonably similar implied equity market capitalization and total capitalization. The Executive Compensation Peers selected in 2024 were expanded based on a recommendation of the compensation consultant and discussion with the Compensation Committee and management. There are few internalized mortgage REITs that comprehensively disclose NEO compensation, and externally-managed mortgage REITs have not historically disclosed all forms of executive compensation. Therefore, the Executive Compensation Peers include certain internalized mortgage REITs and other diversified and equity REITs. The Compensation Committee evaluates compensation data available for these Executive Compensation Peers to understand the reasonableness of the Company's compensation levels for base salary, annual cash incentive awards and LTIP equity-based consideration, focusing on implied equity market capitalization, total capitalization, and total return dynamics over certain periods. The "Executive Compensation Peers" include the following 14 companies:

<b>EXECUTIVE COMPENSATION PEERS</b>		
Chimera Investment Corporation	Ladder Capital Corp.	Granite Point Mortgage Trust Inc.
Cohen & Steers, Inc.	Arbor Realty Trust, Inc.	MFA Financial, Inc.
Walker & Dunlop, Inc.	Main Street Capital Corporation	Hercules Capital, Inc.
Dynex Capital, Inc.	Wisdom Tree, Inc.	Redwood Trust, Inc.
Hannon Armstrong Sustainable Infrastructure Capital, Inc.	New York Mortgage Trust, Inc.	

Separately, executive management, the Board and the Compensation Committee regularly monitor the Company's business performance related to certain externally-managed and internally-managed commercial mortgage REITs. For comparative performance purposes, monitoring the below companies (the "Performance Peers") is relevant because this group has more similar business plans, target assets, financing structures and performance objectives as the Company. The Compensation

Committee evaluates performance among the Performance Peers when establishing targets for the 2024 Annual Incentive Plan and benchmark relative performance for performance restricted stock unit awards granted in 2024:

<b>PERFORMANCE PEERS</b>		
Claros Mortgage Trust, Inc.	Ladder Capital Corp.	Granite Point Mortgage Trust Inc.
Blackstone Mortgage Trust	Apollo Commercial Real Estate Finance	KKR Real Estate Finance Trust
TPG RE Finance Trust	Ares Commercial Real Estate Corp.	Franklin BSP Realty Trust, Inc.

**Employment Agreements**

On February 16, 2024, the Company entered into a Second Amended Employment Agreement with Michael J. Mazzei (the “Second Amended Employment Agreement”). On February 21, 2024, the Company entered into amended and restated employment letters with Andrew E. Witt, Frank V. Saracino, and David A. Palamé to memorialize continuing commitment and alignment with objectives of the Company. The terms of employment for each NEO set forth an annual base salary with target annual cash incentive and long-term incentive award opportunities, if any, remaining in the discretion of the Compensation Committee. The terms were established by the Compensation Committee in consultation with the compensation consultant, informed by certain benchmarking with the Executive Compensation Peers and discussions and recommendations of the Chief Executive Officer (provided the Chief Executive Officer is not involved with the Compensation Committee in determining his compensation). Notwithstanding stated minimum targets for any NEO, if any, the Compensation Committee retains discretion whether to make any annual cash incentive payment or long-term equity incentive award, if at all. The compensation terms applicable to each named executive officer in 2024 were as follows:

- ⇒ 2024 Base Salary. NEO base salaries set at \$800,000 for Mr. Mazzei; \$500,000 for Mr. Witt; \$425,000 for Mr. Saracino; and \$352,500 for Mr. Palamé.
- ⇒ 2024 Annual Cash Incentive Target. NEO annual cash incentive award targets set at \$1,750,000 for Mr. Mazzei; \$800,000 for Mr. Witt; \$625,000 for Mr. Saracino; and \$600,000 for Mr. Palamé. The payout amount for each executive would be subject to performance thresholds pursuant to the 2024 Annual Incentive Plan.
- ⇒ 2024 Long-Term Incentive Plan Target. LTIP award target set at \$3,000,000 for Mr. Mazzei. No LTIP award target set for the other NEOs.

The Second Amended Employment Agreement and other NEO employment letters, as applicable, provide that each NEO is eligible to participate in employee benefit programs made available to the Company’s employees generally from time to time and to receive payments upon termination or change in control of the Company, or death or disability, in addition to any accrued and unpaid salary, vacation and benefits, as set forth in further detail below.

Under the Second Amended Employment Agreement, in the event that Mr. Mazzei is terminated by the Company without Cause or he terminates his employment for Good Reason (in each case, as such terms are defined in his employment agreement), and subject to his execution of a release of claims in favor of the Company, he is entitled to (a) a lump sum cash payment equal to the product of one and one-half times (the “Severance Multiple”) his most recent (i) base salary and (ii) target annual bonus (the “Cash Severance Payment”); (b) payment of the prior calendar year’s annual bonus, if not paid as of such termination; (c) if termination in a calendar year occurs before the date on which his LTIP award is made, a grant of the then-current target LTIP award; (d) a lump sum payment in respect of his bonus for the year of termination equal to his target annual bonus, prorated for the period of time worked during the year; and (e) full vesting of all then-outstanding and unvested LTIP awards (including the LTIP award granted as described above) (collectively, the “Severance Benefits”). All payments are to be made once the release is effective. In the event that Mr. Mazzei is terminated by the Company without cause or he terminates his employment for Good Reason within 90 days before or one year following a Change in Control, his Severance Benefits remain the same, except that the Severance Multiple of his Cash Severance Payment is increased to two. In the event of Mr. Mazzei’s death or disability, (as defined in the Second Amended Employment Agreement), he or his estate is entitled to (a) payment of the prior calendar year’s annual bonus, if not paid as of such termination; (b) a lump sum payment in respect of his bonus for the year of termination equal to his target annual bonus, prorated for the period of time worked during the year; and (c) full vesting of all then-outstanding and unvested LTIP awards at the full target award amount on a non prorated basis.

Under the amended and restated employment letters with Messrs. Witt, Saracino and Palamé, each are eligible to participate in the Company’s severance plan, which provides certain severance benefits in the event that their employment is terminated without Cause by the Company or by them for Good Reason (in each case, as such terms are defined in the Company’s severance policy), in accordance with the terms and subject to the conditions of the severance policy (a “Qualifying Termination”). The severance plan (as supplemented by the amended and restated employment letters) provides that, in the event of an officer’s Qualifying Termination and subject to his execution of a release of claims in favor of the Company, the officer will be entitled to receive (a) a lump sum cash severance payment equal to the product of one times his (i) annual base salary and (ii) target annual bonus; (b) a prorated portion of his annual target cash incentive for the year of termination based on the number of days in the year worked; (c) his prior year’s bonus (to the extent unpaid); (d) if termination occurs between January 1 and the date on which his LTIP is made, a grant of the then-current target LTIP award; (e) full acceleration of any unvested time-based awards; (f) vesting of any performance-based awards in accordance with the terms and conditions of the applicable award agreement; and (g) subject to his timely COBRA election, up to 12 months of Company-paid COBRA premiums. In the event of an officer’s Qualifying Termination within 90 days before or one year after a Change in Control (as defined in the severance policy) and subject to his execution of a release of claims in favor of the Company, the officer will be entitled to receive the same payments and benefits as set forth above, except (i) his lump sum cash severance payment will be equal to two times the sum of his annual base salary plus his target annual bonus for the year of termination, (ii) his performance-based awards will vest immediately (with level of achievement determined in accordance with the applicable award agreement or, if none or more favorable, by the Compensation Committee or the Board as of the date of termination), and (iii) COBRA premiums will be paid for up to 24 months. In the event of the death or disability of Messrs. Witt, Saracino or Palamé, he or his estate is entitled to (a) payment of the prior calendar year’s annual bonus, if not paid as of such termination; (b) a lump sum payment in respect of his bonus for the year of termination equal to his target annual bonus, prorated for the period of time worked during the year; and (c) the vesting of all then-outstanding and unvested LTIP awards in accordance with the terms of the applicable award agreement.

For additional information regarding such Second Amended Employment Agreement and amended and restated employment letters, please refer to such agreements filed as exhibits to the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

**Clawback Policy and Stock Ownership Guidelines**

The Board and Compensation Committee maintain additional executive compensation specific policies to advance a culture that emphasizes integrity and accountability at the Company and further align the long-term interests of the stockholders, executive officers and directors of the Company:

- ⇒ Clawback Policy. Providing for the recoupment of incentive compensation from executive officers and other senior employees responsible for financial reporting if the Company is required to prepare accounting restatements because of material noncompliance with a financial reporting requirement under the securities laws; and
- ⇒ Stock Ownership Guidelines. Setting significant Company stock ownership thresholds applicable to executive officers and directors of the Company. Pursuant to the Stock Ownership Guidelines executives and directors must comply with the following ownership thresholds, subject to a 5-year grace period, and where unexercised options or unearned performance awards do not count towards such thresholds:

Covered Person	Ownership Threshold (market value of stock held greater than)
Chief Executive Officer	5x Base Salary
Other Executive Officers	3x Base Salary
Directors	5x Annual Cash Retainer

As of December 31, 2024, all executive officers and directors either met the ownership thresholds or were within the 5-year grace period.

**Results of 2024 Say-on-Pay Vote**

On May 16, 2024, the Company held its 2024 annual meeting of stockholders, with 96.9% approving (on an advisory, non-binding basis) the compensation of the Company's named executive officers as of December 31, 2023. Please see "Stockholder Engagement" above for further detail on our discussions with our stockholders in 2024.

**2024 NAMED EXECUTIVE OFFICER COMPENSATION**

The Compensation Committee evaluated 2024 NEO compensation taking into consideration the Company's compensation philosophy, elements of compensation and alignment priorities, peer benchmarking, and company achievements and individual performance for the calendar year ended December 31, 2024. The Compensation Committee recognizes the individually unique skill sets and contributions provided by each of our NEOs in regards to team leadership, efficient operations, prudent investment and portfolio management, robust financial reporting systems and controls, and sound legal, compliance, human resource and risk management. The Compensation Committee specifically regarded the following 2024 factors as important (and non-exclusive) contributors to 2024 NEO compensation: the execution of the 2024 securitization transaction, building a pipeline and commencing new loan originations, general and administrative cash expense maintenance (below Performance Peer median), liquidity preservation and low leverage prudence, progress on asset management of owned real estate and reducing higher risk ranked watchlist loans.

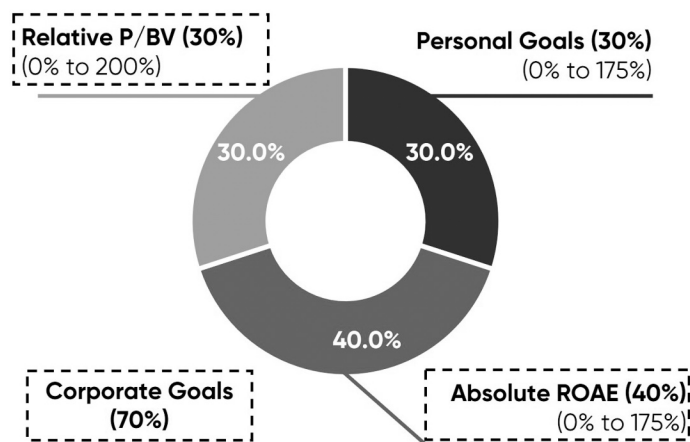

**2024 Base Salary**

The Company paid base salary amounts for 2024 in accordance with each NEO's employment or letter agreement reflective of role, responsibilities, experience and to motivate the continued service of the NEO.

**2024 Annual Incentive Plan Awards**

The Compensation Committee implemented the 2024 Annual Incentive Plan with pay-for-performance compensation objectives to competitively reward our NEOs with cash payments subject to majority-weighted financial performance measures, designed in early-2024. The awards described below were based on 2024 performance, were paid out in the first quarter of 2025 following review and approval by the Compensation Committee, as adjusted by certain voluntary waivers by each NEO (as described in further detail below) to: (x) include a stock-in-lieu of cash component and (y) reduce the actual payout from the earned result, and are reported in the "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table" below.

The 2024 Annual Incentive Plan structure weighted the determination of each NEO's cash incentive compensation target 70% on two quantitative measures, focused on the Company's (1) "absolute" return on average equity ("ROAE") with a payout range between 0% and 175% and (2) "relative" price to book value per share ("P/BV") with a payout range between 0% and 200%. The balance between "absolute" ROAE and "relative" P/BV highlights the value placed on (1) the Company and management meeting or exceeding key components of the Company's annual business plan, while (2) incentivizing positive achievements compared to the Company's Performance Peers. The remaining 30% evaluated personal qualitative measures with a payout range between 0% and 175%.

**2024 Annual Incentive Plan Structure**

**Absolute ROAE (40% of 2024 Annual Incentive Plan)**

The first corporate performance metric carries a 40% weight and evaluates the Company's absolute ROAE ("Absolute ROAE") for the year ended December 31, 2024, compared against threshold, target and maximum ROAE hurdles established by the Compensation Committee. The Compensation Committee established an **Absolute ROAE performance target of 7.40%** for the annual period ended December 31, 2024.

Absolute ROAE Performance (40% weighting)		
Level	Company ROAE	% Earned
Below	< 6.50%	0%
Threshold	6.50%	25%
Target	7.40%	100%
Max	8.40%	175%

**Relative P/BV (30% of 2024 Annual Incentive Plan)**

The second corporate performance metric carries a 30% weight and evaluates the Company's relative price to book value per share ("Relative P/BV") for the year ended December 31, 2024, by reference to the median P/BV among the Performance Peers. The Compensation Committee established a **Relative P/BV performance target at the median P/BV among the Company's Performance Peers**, with payouts achieved based on a percentage performance above or below such median P/BV for the year ended December 31, 2024. The performance period measures the fiscal year period beginning on the first day of the month following the Company's initial year 10-K reporting date (March 1, 2024) and concluding at the month-end of the following year 10-K reporting date (February 28, 2025). Share price is determined by calculating each participating company's average share price during the performance period (i.e., March 1, 2024 through February 28, 2025). Book value is determined by calculating each participating company's average quarterly GAAP net book value per share (as publicly reported by each such company) during the annual test period (i.e., first quarter 2024 book value through fourth quarter 2024 book value).

Relative P/BV Performance (30% weighting)		
Level	Relative P/BV to Median ("X")	% Earned
Below	$X < -20\%$	0%
Threshold	$X \geq -20\%$	25%
Target	$X = \text{Median}$	100%
Max	$X \geq +20\%$	200%

The variable payout earned for each corporate measure is subject to linear interpolation consistent with the Absolute ROAE and Relative P/BV achieved, respectively, whether between Threshold and Target or Target and Maximum.

2024 Annual Incentive Plan: Corporate Performance Results			
	FY24 Results	Performance Category	% Earned (Multiplier)
Absolute ROAE Performance	8.1%	Target-Maximum (between 7.40%–8.40%)	153% (1.53x)
Relative P/BV Performance	BRSP = 71% (-1%) Peer Median = 72%	Threshold-Target (between -20%–Median)	98% (0.98x)

For the year ended December 31, 2024, the Company achieved (1) an Absolute ROAE of 8.1%, or a 153% multiplier (1.53x), and (2) a Relative P/BV of 71% (1% lower than the peer median of 72%), or a 98% multiplier (0.98x). By reference, P/BV for the Performance Peers ranged from 34% to 95%, with a median of 72% (including the Company among the Performance Peers), for the year ended December 31, 2024.

#### **2024 Annual Incentive Plan Compensation Waivers by NEOs**

On July 29, 2024, in light of the current operating environment and as a sign of further alignment of the Company's NEOs and shareholders, each of the Company's NEOs voluntarily offered and entered into a letter with the Company to exchange a percentage of their cash incentive compensation opportunity that may be earned pursuant to the 2024 Annual Incentive Plan in the form of stock (the "Stock-in-Lieu Waiver").

Pursuant to the terms of the Stock-in-Lieu Waiver, each named executive officer agreed to receive the portion of their cash incentive compensation earned under the 2024 Annual Incentive Plan that exceeds 70%, or in the case of the Chief Executive Officer, 60%, of their respective 2024 annual cash incentive award targets, in fully vested shares of common stock (the "2024 AIP Grant Shares"). The final calculation and payment date for the incentive compensation earned pursuant to the 2024 Annual Incentive Plan was determined on March 17, 2025. The number of 2024 AIP Grant Shares were issued based on the closing price of the common stock on March 14, 2025.

On March 17, 2025, upon notice of the final calculation for the incentive compensation earned pursuant to the 2024 Annual Incentive Plan, in view of the current operating environment, each NEO notified the Compensation Committee that they would accept and considered appropriate a one-time voluntary, 20 percentage point reduction (i.e., minus 20%) from such final amount earned pursuant to the 2024 Annual Incentive Plan, as described in further detail below.

#### **2024 Annual Incentive Plan Results and Compensation Reductions**

When combined with qualitative measures, the 2024 Annual Incentive Plan would have resulted in our (i) CEO (ii) Chief Financial Officer, and (iii) General Counsel, each receiving compensation equal to 120% (1.20x) of their respective 2024 annual cash incentive target, and the President & Chief Operating Officer receiving compensation equal to 126% (1.16x) of his 2024 annual cash incentive target.

However, as a result of the NEO actions described above and agreement to subtract 20% from their earned 2024 incentive compensation, the (i) CEO, (ii) Chief Financial Officer, and (iii) General Counsel, received reduced compensation equal to 100% of their respective 2024 annual cash incentive target, and the President & Chief Operating Officer received reduced compensation equal to 106% of his 2024 annual cash incentive target. Finally, due to the Stock-in-Lieu Waiver, 2024 annual incentive compensation (x) to the CEO limited the cash amount to 60% of his 2024 annual cash incentive target, with the remainder paid in 2024 AIP Grant Shares, and (y) to each of the President & Chief Operating Officer, Chief Financial Officer, and General Counsel, limited the cash amount to 70% of their respective 2024 annual cash incentive target, with the remainder paid in 2024 AIP Grant Shares.

In accordance with the 2024 Annual Incentive Plan, our NEOs were entitled to certain 2024 incentive compensation earned. After taking into account the voluntary waivers described above, our NEOs accepted adjusted incentive compensation for 2024 relative to their respective targets in the form of cash and stock-in-lieu of cash, as set forth below.

Name	2024 Annual Cash Incentive Target (\$)	2024 Annual Incentive Compensation Percentage Earned (pre-waiver)	2024 Annual Cash Incentive Compensation Earned (\$) (pre-waiver)	2024 Annual Cash Incentive Compensation Waived (\$)	2024 Annual Cash Incentive Compensation Paid (\$) <sup>(1)</sup>	2024 Annual Incentive Compensation Paid in form of Stock (\$) <sup>(2)</sup>	2024 Total Annual Incentive Compensation Paid (\$)
Michael J. Mazzei, Chief Executive Officer	1,750,000	120%	2,100,000	350,000	1,050,000	700,000	1,750,000
Andrew E. Witt, President & COO	800,000	126%	1,008,000	160,000	560,000	288,000	848,000
Frank V. Saracino, CFO, Treasurer & EVP	625,000	120%	750,000	125,000	437,500	187,500	625,000
David A. Palamé, GC, Secretary & EVP	600,000	120%	720,000	120,000	420,000	180,000	600,000
Total			4,578,000	755,000			3,823,000

(1) Represents capped cash payout as % of NEO 2024 Annual Cash Incentive Target (CEO = 60%; All Other NEOs = 70%).

(2) After 2024 Annual Cash Incentive Compensation Paid, represents stock-in-lieu of cash issued for remainder of 2024 Annual Incentive Compensation Earned, less the additional 20% of 2024 incentive compensation waived by each NEO.

### **2024 Long-Term Equity Incentive Awards**

In 2024, the Compensation Committee enhanced pay for performance measures applicable to NEO compensation to further align the interests of our NEOs and our stockholders.

On March 15, 2024, the Compensation Committee granted annual LTIP awards to the NEOs allocated 50% to time-vesting restricted stock awards ("2024 Restricted Stock") and 50% to three-year performance restricted stock unit awards ("2024 PRSUs") as set forth below. The Compensation Committee believes the 50% allocation of long-term incentive awards to performance restricted stock units for each NEO represents a substantial additional performance-based incentive.

	2024 LTIP Awards	
	2024 Restricted Stock Awards (# shares) (50%)	2024 PRSUs (Target unit #) (50%)
Michael J. Mazzei, Chief Executive Officer	223,547	223,547
Andrew E. Witt, President & COO	111,774	111,774
Frank V. Saracino, CFO, Treasurer & EVP	70,790	70,790
David A. Palamé, GC, Secretary & EVP	72,601	72,601

The 2024 Restricted Stock was issued in shares of our restricted common stock and will vest in three substantially equal installments on each of March 15, 2025, March 15, 2026 and March 15, 2027. The 2024 PRSUs were awarded in restricted stock units with respect to our common stock and have a three-year performance period (March 6, 2024 to March 6, 2027) with a payout opportunity ranging from 0% to 200% of the target units awarded, depending on the relative total stockholder return ("Relative TSR") performance of the Company as compared to the Performance Peers. Recipients of the 2024 PRSUs will not be entitled to receive distributions or distribution equivalents before performance-based vesting has occurred. The 2024 PRSUs will convert into shares of our common stock if and when earned and are generally conditioned on continued employment by the recipient, subject to the applicable award agreement and the Company's severance policy. For the 2024 PRSUs, the following table provides the scale which will be used to determine the payout percentage (if any) upon completion of the three-year performance cycle for such awards:

2024 PRSUs: Relative TSR Performance		
Level	Relative TSR Percentile	% Earned
Below	< 25%	0%
Threshold	25%	50%
Target	50%	100%
Max	> 80%	200%

The Compensation Committee determined that payouts for the 2024 PRSUs will be capped at 100% of target when the Company's total shareholder return for the three-year performance cycle is negative. The variable payout earned is subject to linear interpolation consistent with the Relative TSR Percentile achieved, whether between Threshold and Target or Target and Maximum.

### ***2025 Named Executive Officer Compensation – A Look Ahead***

In early 2025, the Compensation Committee approved the 2025 annual incentive plan, with final compensation targets for each NEO and a majority-weighting to corporate performance targets substantially similar to the 2024 Annual Incentive Plan. In 2025, the Compensation Committee granted annual LTIP awards, maintaining a 50% allocation to performance restricted stock units.

### ***Tax and Accounting Considerations***

#### ***Deductibility of Executive Compensation***

Generally, Section 162(m) of the Code disallows public companies a tax deduction for federal income tax purposes of remuneration in excess of \$1 million paid to so-called "covered employees," which includes the chief executive officer, chief financial officer, certain other highly-compensated executive officers, and certain former executive officers. In approving the amount and form of compensation for our named executive officers, the Compensation Committee considers all elements of our cost of providing such compensation, including the potential impact of Section 162(m). The Compensation Committee may, in its judgment, approve compensation for our named executive officers that is not deductible for federal income tax purposes when it believes that such compensation is in the best interests of the Company and our stockholders.

#### ***Accounting for Stock-Based Compensation***

We follow the Financial Accounting Standard Board's Accounting Standards Codification Topic 718 ("FASB ASC Topic 718") for our stock-based compensation awards. FASB ASC Topic 718 requires us to measure the compensation expense for all share-based payment awards made to our employees and non-employee members of the Board of Directors, including options to purchase shares of our common stock (which we have not issued) and other stock awards, based on the grant date "fair value" of these awards. This grant date fair value is calculated using a variety of assumptions. This calculation is performed for financial reporting purposes and included in the executive compensation tables required by the federal securities laws, even though the recipient of the awards may never realize any value from their awards. FASB ASC Topic 718 also requires us to recognize the compensation cost of our share-based awards in our income statements over the period that an employee and non-employee member of the Board of Directors is required to render service in exchange for the award.

#### ***Special Note Regarding Non-GAAP Measures***

This Compensation Discussion and Analysis contains certain non-GAAP financial measures which are described in more detail in the section entitled "Pay Versus Performance" in this Proxy Statement and that are derived from non-GAAP measures contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2024 in Item 7, "Management's Discussion and Analysis of Financial Condition and Results of Operations—Non-GAAP Supplemental Financial Measures.

(1) Represents the aggregate grant date fair value of awards of restricted stock and performance restricted stock units, as applicable, calculated under the Financial Accounting Standard Board's Accounting Codification Topic 718. Each grant date fair value for restricted stock is calculated using the closing price of our common stock on the date of grant as reported by the NYSE.

(2) Amounts reported for 2024 reflect cash incentive compensation earned by our named executive officers under the 2024 Annual Incentive Plan. Each NEO agreed to waive a portion of their earned 2024 annual cash incentive compensation and to receive a portion of the award earned in shares of common stock. Additional information regarding the 2024 Annual Incentive Plan payments is described above under "—Compensation Discussion and Analysis—2024 Named Executive Officer Compensation—2024 Annual Incentive Plan Awards."

(3) Reflects payments for each officer toward 401(k) matching contributions and premiums for life insurance.

(1) Reflects the possible payouts of cash incentive compensation under the 2024 Annual Incentive Plan. The threshold payout assumes reaching the threshold level for the two applicable financial measures and a 0% possible payout on individual performance measures. The actual amounts and forms of compensation (cash and stock-in-lieu of cash) earned by each named executive officer for 2024 are disclosed in the "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table" above and the accompanying footnote.

(2) Represents PRSUs, which may be earned over a three-year performance period ending March 6, 2027. For more information on the vesting schedule of the PRSUs refer to "Compensation Discussion and Analysis – 2024 Long-Term Equity Incentive Awards".

(3) Represents restricted stock ("RS") awards that vest in three substantially equal installments on each of March 15, 2025, March 15, 2026 and March 15, 2027.

(4) The aggregate grant date fair value of the PRSUs and the restricted stock awards granted to our named executive officers was calculated in accordance with FASB ASC Topic 718. The aggregate grant date fair value of the PRSUs was calculated assuming the target payout is achieved. The aggregate grant date fair value of the restricted stock awards granted was calculated by multiplying the closing price of our common stock on the grant date (\$6.87) by the number of shares granted.

(1) Represents the restricted stock awards that had not vested as of December 31, 2024. These restricted stock grants vest in three equal annual installments. The grants made on March 15, 2024 vest on March 15, 2025, March 15, 2026 and March 15, 2027. The grants made on March 6, 2023 have remaining vesting date on March 15, 2025 and March 15, 2026. The grant made on May 5, 2022 has a remaining vesting date on March 15, 2025. For additional information on vesting upon specified termination events, see “*Potential Payments Upon Termination or Change of Control*”.

(2) Amounts reported are based on the closing price of our common stock on the NYSE as of December 31, 2024 (\$5.64), the last trading day of the fiscal year.

(3) Represents the 2024 PRSUs and 2023 PRSUs, respectively, that have not vested as of December 31, 2024. For this purpose, (a) the number of 2024 PRSUs is reflected based on performance testing resulting in a target (100%) payout as of December 31, 2024, and (b) the number of 2023 PRSUs is reflected based on performance testing resulting in a maximum (200%) payout as of December 31, 2024.

## POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

We may be required to make certain payments to our named executive officers in the event their services are terminated or we experience a change in control. Under the terms of the Second Amended Employment Agreement, dated February 16, 2024, with Mr. Mazzei and under the terms of the amended and restated employment letters with each of Messrs. Witt, Saracino, and Palamé, entered into with each of the other NEOs in February 2024, as described above under “Employment Agreements,” the amount of these payments (and whether we would be required to make them) depends on the nature of the executive’s termination.

Pursuant to the form restricted stock award agreements used for awards made in 2022, 2023 and 2024 under the 2022 Plan, shares of restricted stock fully vest upon (i) the grantee’s death or “disability” (as defined in the 2022 Plan), (ii) the grantee’s “involuntary termination” (as defined in the form restricted stock award agreement) and (iii) a “change in control” (as defined in the 2022 Plan), provided, for purposes of the 2023 and 2024 time-vested restricted stock awards, such awards shall not vest if the restricted stock is assumed, or equivalent restricted securities are substituted for such restricted stock. Pursuant to the amended form PRSU award agreements used for the 2023 and 2024 PRSU awards, (i) upon the grantee’s death, “disability” (as defined in the 2022 Plan), or “involuntary termination” (as defined in the award agreement), the PRSUs remain eligible to vest following the end of the performance period based on actual performance with respect to the number of PRSUs eligible to vest as of such grantee’s termination, and (ii) upon an event of a “Change in Control” (as defined in the award agreement), the PRSUs will vest in connection with the Change in Control at the greater of one (1) times the target award amount or the actual performance result of such award, plus in the case of (i) and (ii) accumulated dividends with respect to the earned awards.

The table below sets forth the amount that we would have been required to pay each of the NEOs under the termination events described below or upon a change in control, assuming the termination or change in control occurred on December 31, 2024.

(1) As described above under “Employment Agreements,” for this purpose, the “CIC Protection Period” means the 90-day period prior to and the one-year period following a “change in control” (as such term is defined in the 2022 Plan and severance policy).

- (2) For Mr. Mazzei, as described above under “Employment Agreements,” amounts include (i) a lump sum cash payment equal to the product of one and one-half times (the “Severance Multiple”) his most recent base salary and target annual bonus (the “Cash Severance Payment”), (ii) a lump sum payment in respect of his bonus for the year of termination equal to his target annual bonus, prorated for the period of time worked during the year, plus (iii) full vesting of all then-outstanding and unvested LTIP awards. For the other NEOs, as described above under “Employment Agreements,” amounts include (i) a lump sum cash severance payment equal to the product of one times his most recent annual base salary and target annual bonus, (ii) a prorated portion of his annual target cash incentive for the year of termination based on the number of days in the year worked, (iii) full acceleration of any unvested time-based restricted stock awards, (iv) vesting of any PRSUs in accordance with the terms and conditions of the applicable award agreement, plus (v) subject to his timely COBRA election, 12 months of Company-paid COBRA premiums. Such amount presumes that the prior year’s (2023) bonus payment has already been made to each individual and that Mr. Mazzei and each NEO has already received his LTIP award for the year of termination. For this purpose, the 2023 PRSUs and 2024 PRSUs are eligible to vest and are assumed to vest and be earned at the target level.
- (3) For Mr. Mazzei, as described above under “Employment Agreements,” the amount is the same as described in footnote 2 above, except that the Severance Multiple of his Cash Severance Payment is increased to two. For the other NEOs, as described above under “Employment Agreements,” the amount is the same as described in footnote 2 above, except that (i) the lump sum cash severance payment will be equal to two times the sum of their annual base salary plus their target cash annual incentive for the year of termination, (ii) outstanding PRSUs will vest immediately (with the level of achievement determined in accordance with the applicable award agreement or, if otherwise more favorable to the applicable NEO, by the Compensation Committee or the Board as of the date of termination), and (iii) COBRA premiums will be paid for 24 months. Such amount presumes that the prior year’s (2023) bonus payment has already been made to each individual and that Mr. Mazzei and each NEO has already received his LTIP award for the year of termination. For this purpose, the 2023 PRSUs and 2024 PRSUs are eligible to vest and are assumed to vest and be earned at the target level.
- (4) Upon an NEO’s termination of employment on account of death or “disability” (as defined in the 2022 Plan), (i) such NEO shall receive the pro-rated portion of his annual target cash incentive compensation for the year of termination as part of “Cash Severance”, assuming termination as of the last day of the Company’s 2024 fiscal year, (ii) such NEO’s unvested restricted stock awards will immediately vest, and (iii) a pro-rated portion of such NEO’s unvested PRSUs will remain eligible to vest at the end of the performance period based on actual performance. For this purpose, the 2023 PRSUs and 2024 PRSUs are eligible to vest and are assumed to vest and be earned at the target level.
- (5) Upon a “change in control” (as defined in the 2022 Plan) in which outstanding equity awards are not assumed by our corporate successor and with respect to our May 2022, March 2023 and March 2024 time-vested awards and the 2023 PRSUs and 2024 PRSUs, (i) all service-based vesting awards will be deemed to have fully vested effective immediately prior to the occurrence of the change in control and (ii) performance-based vesting awards will vest immediately in accordance with the terms and conditions of the award agreement. For this purpose, the 2023 PRSUs and 2024 PRSUs have been assumed to be eligible to vest and be earned at the target level. Upon a “change in control” (as defined in the 2022 Plan) in which the outstanding March 2023 and March 2024 time-vested awards are assumed by our corporate successor, no accelerated vesting applies upon such event, in which case the value of accelerated vesting of equity awards to each NEO would be as follows: Mazzei - \$2,828,708, Witt - \$1,387,062, Saracino - \$889,394, Palamé - \$911,864.
- (6) For purposes of the pro-rata annual cash incentive compensation for the year of termination included as part of “Cash Severance” for the first two columns, this row does not provide for any pro-rata because the applicable presumed termination date for purposes of this table is assumed to be the last day of the Company’s 2024 fiscal year.
- (7) For purposes of the value attributed to accelerated vesting of equity awards, such value is based on the number of shares vesting as a result of the applicable trigger, multiplied by the closing price of our common stock on the NYSE as of December 31, 2024, the last trading day of the fiscal year, of \$5.64.
- (8) For purposes of quantifying medical benefits, such value is based on the assumptions used for financial reporting purposes under generally accepted accounting principles.

## SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table presents information relating to securities remaining available for future issuance under the 2022 Plan as of the fiscal year ended December 31, 2024.

(1) Represents the target number of 2023 PRSUs and 2024 PRSUs that were outstanding as of December 31, 2024.

(2) Represents shares of our common stock remaining available for issuance as of December 31, 2024, pursuant to the 2022 Plan, without giving effect to additional shares that become available upon the future expiration, forfeiture, or cancellation of any outstanding awards after December 31, 2024.

**CHIEF EXECUTIVE OFFICER PAY RATIO**

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“the Dodd-Frank Act”), and Item 402(u) of Regulation S-K, for 2024, the median of the annual total compensation of all employees paid by the Company (other than our Chief Executive Officer), was \$335,151; and the annual total compensation of Mr. Mazzei, our CEO, was \$5,849,879.

Based on this information, for 2024, the ratio of the annual total compensation of our CEO to the median of the annual total compensation of all employees was 17.5 to 1. This ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of SEC Regulation S-K using the data summarized below.

To identify our median employee:

- ⇒ As of December 31, 2024, our employee population consisted of 48 full-time employees, including our CEO.
- ⇒ To find the median of the annual total compensation of our employees (other than our CEO), we used each employee’s annualized year-end base salary, cash bonus earned for 2024, overtime payments, sign-on bonuses and the grant date fair value of equity compensation granted in 2024. In making this determination, we annualized base salaries for full-time permanent employees who were employed on December 31, 2024 who did not work for us the entire year.
- ⇒ We identified our median employee using this compensation measure and methodology, which was consistently applied to all our employees included in the calculation.
- ⇒ After identifying the median employee, we added together all of the elements of such employee’s compensation for 2024 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$335,151. With respect to the annual total compensation of our CEO, we used the amount reported in the “Total” column of our 2023 Summary Compensation Table in this proxy statement, which is also in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K.

## PAY VERSUS PERFORMANCE

In accordance with the final rule adopted by the SEC in August 2022 implementing Section 953(a) of the Dodd-Frank Act, we are providing the following table that sets forth certain compensation measures for certain of our officers alongside certain performance metrics for the Company and certain of its industry peers. The disclosure included in this section is not incorporated by reference in Part III of the Company's Annual Report on Form 10-K for the year ended December 31, 2024. The Compensation Committee did not consider the pay versus performance data presented below in making its pay decisions for any of the years shown.

The following tables sets forth information concerning the compensation actually paid to (1) certain prior chief executive officers, as applicable, and (2) our CEO and the average compensation among our other NEOs compared to Company performance for the years ended December 31, 2024, 2023, 2022, 2021 and 2020.

- (1) In 2020, we were an externally managed company and all of our named executive officers, including our CEO, were employees of our former external manager and/or affiliates thereof. Accordingly, we did not pay, award or provide any cash compensation or benefits to Mr. Kevin P. Traenkle, who served as CEO until his resignation effective February 29, 2020 ("Prior CEO 1") or to Andrew E. Witt, who served as our interim CEO from March 1, 2020 to April 1, 2020 ("Prior CEO 2").

Michael Mazzei was appointed CEO and President effective April 1, 2020 (continuing as CEO and no longer serving as President since February 22, 2022).

In 2020, the other NEOs were Neale W. Redington, our Chief Financial Officer and Treasurer, and David A. Palamé, our General Counsel and Secretary.

In 2021, 2022, 2023 and 2024, the other NEOs were Andrew E. Witt, our Chief Operating Officer (and President, from and after February 22, 2022), Frank V. Saracino, our Chief Financial Officer, Treasurer and Executive Vice President, and David A. Palamé, our General Counsel, Secretary and Executive Vice President.

- (2) The values reflected in this column for 2020 reflect the "Total" compensation set forth in the Summary Compensation Table ("SCT") on page 24 of the proxy statement of Colony Credit Real Estate, Inc. filed on March 24, 2021 (the "2021 Proxy"). The FTSE NAREIT All Mortgage Capped Index (the "FNMRC Index") is designed to provide a comprehensive assessment of overall industry performance, and includes all tax-qualified real estate investment trusts that are listed on the New York Stock Exchange, the NYSE Arca or the NASDAQ National Market List. We previously utilized the Bloomberg Real Estate Investment Trust Mortgage Index (the "BBREIT Index"), which index ceased to be published in 2024, requiring us to switch to the FNMRC Index.

(5) Net Income (Loss) as determined in accordance with generally accepted accounting principles in the United States. Amounts in millions.

The graphs below reflect the relationship between "Compensation Actually Paid" to our Chief Executive Officer and the average compensation actually paid among other Named Executive Officers and (i) Total Shareholder Return (of our Company and (x) the Bloomberg Real Estate Investment Trust Mortgage Index (the "BBREIT Index") between 2020 and 2023, after which the BBREIT Index was discontinued, and (y) the FTSE NAREIT All Mortgage Capped Index (the "FNMRC Index") between 2020 and 2024, which replaces the BBREIT Index, (ii) Net Income, and (iii) Return on Average Equity ("ROAE").

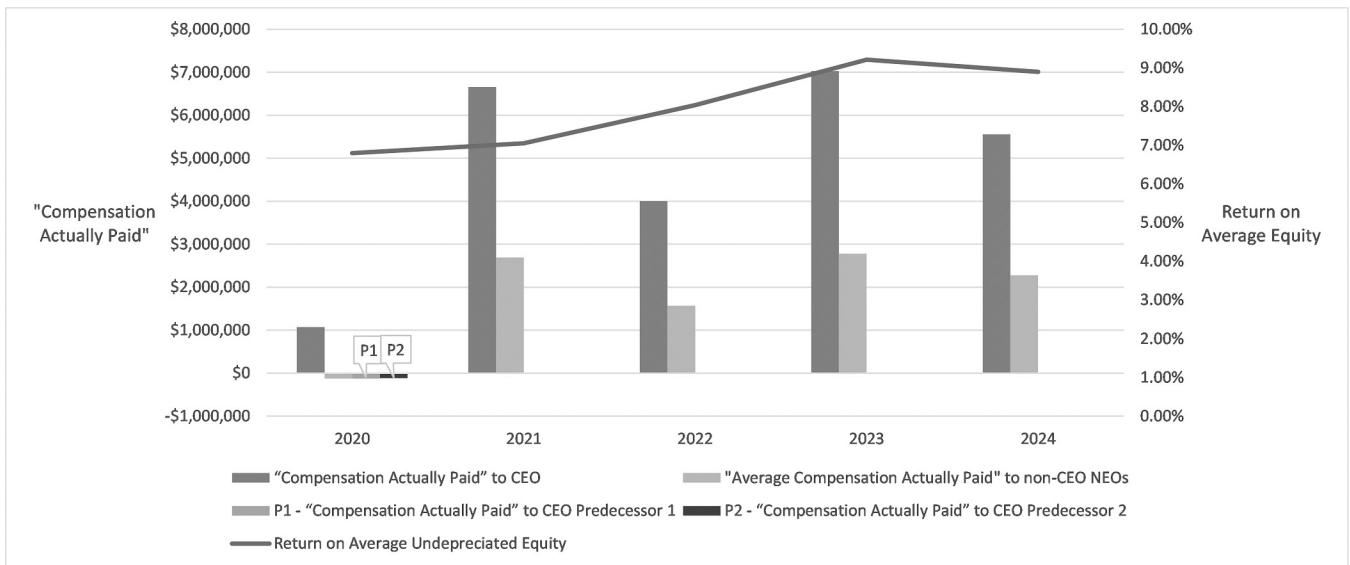

### 2020-2024 Compensation Actually Paid and Total Shareholder Return

**2020-2024 Compensation Actually Paid and Net Income**

**2020-2024 Compensation Actually Paid and Return on Average Equity**

The Compensation Committee considers certain financial performance metrics, along with other quantitative, qualitative and individual performance measures in determining the appropriate compensation for NEOs. In the Company's assessment, the following list of performance measures represent the most important measures used to link compensation actually paid to our NEOs, for the most recently completed fiscal year, to Company Performance:

- ⇒ return on average equity;
- ⇒ adjusted distributable earnings; and
- ⇒ total dividends paid to stockholders.

## NON-GAAP FINANCIAL MEASURES

We refer to certain non-GAAP financial measures within this Proxy Statement. The below provides definitions for these measures. See also the Company's Annual Report on Form 10-K for the year ended December 31, 2024 in Item 7 "Management's Discussion and Analysis of Financial Condition and Results of Operations—Non-GAAP Supplemental Financial Measures."

Return on Average Equity or ("ROAE") is a measure of the Company's (x) Adjusted Distributable Earnings for a particular fiscal year divided by (y) the average undepreciated book value of the Company for such fiscal year.

"Adjusted Distributable Earnings" are Distributable Earnings (as defined below) excluding (i) realized gains and losses on asset sales, (ii) fair value adjustments, which represent mark-to-market adjustments to investments in unconsolidated ventures based on an exit price, defined as the estimated price that would be received upon the sale of an asset or paid to transfer a liability in an orderly transaction between market participants, (iii) unrealized gains or losses, (iv) specific CECL reserves and (v) one-time gains or losses that in the judgement of management should not be included in Adjusted Distributable Earnings. We believe Adjusted Distributable Earnings is a useful indicator for investors to further evaluate and compare our operating performance to our peers and our ability to pay dividends, net of the impact of any gains or losses on assets sales or fair value adjustments, as described above.

"Distributable Earnings" is defined as GAAP net income (loss) attributable to our common stockholders (or, without duplication, the owners of the common equity of our direct subsidiaries, such as our OP) and excluding (i) non-cash equity compensation expense, (ii) the expenses incurred in connection with our formation or other strategic transactions, (iii) acquisition costs from successful acquisitions, (iv) gains or losses from sales of real estate property and impairment write-downs of depreciable real estate, including unconsolidated joint ventures and preferred equity investments, (v) general CECL reserves, (vi) depreciation and amortization, (vii) any unrealized gains or losses or other similar non-cash items that are included in net income for the current quarter, regardless of whether such items are included in other comprehensive income or loss, or in net income, (viii) one-time events pursuant to changes in GAAP and (ix) certain material non-cash income or expense items that in the judgment of management should not be included in Distributable Earnings. For clauses (viii) and (ix), such exclusions shall only be applied after approval by a majority of our independent directors. Distributable Earnings include specific CECL reserves.

We believe that Distributable Earnings provides meaningful information to consider in addition to our net income and cash flow from operating activities determined in accordance with GAAP, and this metric is a useful indicator for investors in evaluating and comparing our operating performance to our peers and our ability to pay dividends. As a REIT, we are required to distribute substantially all of our taxable income and we believe that dividends are one of the principal reasons investors invest in credit or commercial mortgage REITs such as our company. Over time, Distributable Earnings has been a useful indicator of our dividends per share and we consider that measure in determining the dividend, if any, to be paid. This supplemental financial measure also helps us to evaluate our performance excluding the effects of certain transactions and GAAP adjustments that we believe are not necessarily indicative of our current portfolio and operations.

Distributable Earnings and Adjusted Distributable Earnings do not represent net income or cash generated from operating activities and should not be considered as an alternative to GAAP net income or an indication of our cash flows from operating activities determined in accordance with GAAP, a measure of our liquidity, or an indication of funds available to fund our cash needs. In addition, our methodology for calculating Distributable Earnings and Adjusted Distributable Earnings may differ from methodologies employed by other companies to calculate the same or similar non-GAAP supplemental financial measures, and accordingly, our reported Distributable Earnings and Adjusted Distributable Earnings may not be comparable to the Distributable Earnings and Adjusted Distributable Earnings reported by other companies.

“Undepreciated Book Value” is a non-GAAP financial metric which is defined as total stockholders’ equity (or “GAAP net book value”) excluding (i) the impact of our pro rata share of accumulated depreciation and amortization on real estate investments (including related intangible assets and liabilities) and (ii) our share of the carrying value (including any related foreign currency translation) on certain net leased and other real estate office properties whose nonrecourse mortgages mature within 12 months or who have been placed in a cash flow sweep by their lender. Our ability to refinance at such maturity dates is burdened by the current interest rate environment, lenders’ aversion to finance or refinance office properties and/or associated improvements or paydowns potentially demanded at such properties. Loan maturity defaults can lead to foreclosures. Given this potential likelihood, we believe it is prudent to recognize impairments and exclude our share of the carrying value related to such properties.

The Company reports Undepreciated Book Value in its quarterly and annual financial statements, including reconciliations to GAAP net book value. We believe that Undepreciated Book Value is a more useful and consistent measure of the value of the Company’s current portfolio and operations. Average Undepreciated Book Value represents the average of Undepreciated Book Value across the four quarterly periods in any given fiscal year.

## PROPOSAL NO. 2: Advisory Vote On Executive Compensation

In accordance with Section 14A of the Exchange Act and the related rules of the SEC, we are providing our stockholders an opportunity to indicate whether they support the compensation of our named executive officers, as described in this proxy statement. At our 2019 annual meeting of stockholders, our stockholders voted, on a non-binding advisory basis, to recommend that we hold a “say-on-pay” vote on an annual basis, and the Board approved such recommendation. This advisory vote, commonly referred to as “say on pay,” is not intended to address any specific item of compensation, but rather addresses the overall compensation of our named executive officers and our philosophy, policies and practices relating to their compensation as described in this proxy statement in accordance with the SEC’s compensation disclosure rules. Please see “*Executive Compensation—Compensation Discussion and Analysis*” in this proxy statement for additional details about our executive compensation programs, including information about the compensation of our named executive officers for 2024.

The Board of Directors recommends that stockholders vote in favor of the following resolution:

**“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED on an advisory basis.”**

Although this vote is advisory and is not binding on the Company, the Compensation Committee values the opinions of our stockholders. To the extent that there is any significant vote against the compensation of our named executive officers, we will consider our stockholders’ concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

### **Vote Required and Recommendation**

The affirmative vote of a majority of the votes cast at the meeting is required for approval of the advisory “say on pay” resolution regarding the compensation of our named executive officers. For purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. See “*About the Meeting (FAQs)—How many votes are required to approve the proposals?*” for additional information regarding the required vote for this proposal.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ADVISORY APPROVAL OF THE RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS.**

## PROPOSAL NO. 3: Advisory Vote On The Frequency Of The Vote On Executive Compensation

We are seeking an advisory vote on the frequency with which say-on-pay votes should be held in the future. This advisory vote is commonly referred to as “say-on-pay frequency.” Stockholders may vote to indicate their preference for conducting a say-on-pay vote:

- **Every year;**
- **Every two years;**
- **Every three years; or**
- **Abstain from voting on this proposal.**

The Board has determined that holding a say-on-pay vote every year is the most appropriate recommendation for the Company. In recommending an annual advisory vote on executive compensation, which practice the Company has followed since 2020, the Board continues to recognize that an annual vote will allow our stockholders to provide us with timely feedback on our compensation policies and practices as disclosed in the proxy statement every year, which will allow us to take action, if appropriate, on a real-time basis. Additionally, an annual say-on-pay vote will further our general policy of seeking regular input from, and engaging in discussions with, our stockholders on corporate governance matters and our executive compensation policies and practices.

Because this proposal is advisory, it will not be binding on the Company, and the Board may determine to hold an advisory vote on executive compensation more or less frequently than the option selected by our stockholders. However, the Board values our stockholders’ opinions, and the Board will consider the outcome of the vote when determining the frequency of future advisory votes on executive compensation.

### **Vote Required and Recommendation**

The affirmative vote of a majority of the votes cast is required for approval, on an advisory basis of the frequency of holding the “say on pay” vote in the future. Because stockholders have several choices, it is possible that no single choice will receive a majority of votes cast. In the event no option receives a majority of the votes cast, the option receiving the most votes cast on the proposal will be deemed the preferred option of stockholders. For purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. See “*About the Meeting (FAQs)—How many votes are required to approve the proposals?*” for additional information regarding the required vote for this proposal.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU SELECT “EVERY YEAR” ON THE ADVISORY VOTE RECOMMENDING THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION.**

# AUDIT COMMITTEE MATTERS

## CHANGE IN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As disclosed in our current report on Form 8-K filed with the SEC on February 27, 2025, management and our Audit Committee undertook and completed a process to review the appointment of the Company's independent registered public accounting firm for the year ending December 31, 2025. The Audit Committee invited several firms to participate in this competitive process, including Ernst & Young LLP ("EY"), the Company's independent registered accounting firm since 2018. As a result of this process and following careful deliberation, on February 24, 2025, the Audit Committee approved the appointment of Deloitte & Touche LLP ("Deloitte") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2025, and dismissed EY from their role as the Company's registered public accounting firm effective February 24, 2025, following the completion of EY's audits of the financial statements for the Company for the fiscal year ended December 31, 2024.

The audit reports of EY on the Company's consolidated financial statements for the fiscal year ended December 31, 2024, which were included in the Company's 2024 Annual Report on Form 10-K, and for the fiscal year ended December 31, 2023, which were included in the Company's 2023 Annual Report on Form 10-K, did not contain any adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2024 and 2023 and through February 24, 2025, there were no "disagreements," as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to that Item, between the Company and EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference in connection with its report to the subject matter of the disagreement.

During the fiscal years ended December 31, 2024 and 2023, and through February 24, 2025, neither the Company nor anyone on its behalf consulted with Deloitte with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no written report or oral advice was provided to the Company by Deloitte that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a "disagreement" (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions to that Item) or a "reportable event" (as described in Item 304(a)(1)(v) of Regulation S-K).

The Company provided EY with a copy of the disclosures it made in the Current Report on Form 8-K that disclosed the change in the Company's independent registered public accounting firm described above prior to its filing with the SEC. The Company requested that EY furnish the Company with a letter addressed to the SEC stating whether EY agrees with the above statements that are related to EY and, if not, stating the respects in which it does not agree. A copy of EY's letter, dated February 27, 2025, is filed as Exhibit 16.1 to the Form 8-K.

## AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board, consistent with the corporate governance rules of the U.S. Securities and Exchange Commission, or the SEC, and the New York Stock Exchange, or the NYSE. A copy of the Audit Committee charter is available on the Company's website at [www.brightspire.com](http://www.brightspire.com). The Board has determined that all members of the Audit Committee meet the independence standards established by the NYSE.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. The Company's management has the primary responsibility for the preparation of the financial statements and the reporting process, including maintaining a system of internal control over financial reporting and disclosure controls and procedures. The Audit Committee is directly responsible for the appointment, compensation, retention, oversight and termination of the Company's independent registered public accounting firm. The Audit Committee appointed EY, an independent registered public accounting firm, as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2024. The independent registered public accounting firm was responsible for performing an audit of the Company's consolidated financial statements in accordance with generally accepted accounting principles, or U.S. GAAP, and issuing a report thereon. The Audit Committee reviews and oversees these processes, including oversight of: (1) the integrity of the Company's financial statements; (2) the Company's independent registered public accounting firm's qualifications and independence; (3) the performance of the

Company's independent registered public accounting firm and the Company's internal audit function, which was performed by Deloitte & Touche LLP for the 2024 year; and (4) the Company's compliance with legal and regulatory requirements.

In discharging its oversight role, the Audit Committee reviewed and discussed with the Company's management and EY, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2024, the audited financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2024, including discussions regarding critical accounting policies, other financial accounting and reporting principles and practices appropriate for the Company, the quality of such principles and practices and the reasonableness of significant judgments. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with U.S. GAAP. The Audit Committee also discussed with EY the matters required to be discussed by the U.S. Securities and Exchange Commission, and the applicable standards of the Public Company Accounting Oversight Board which includes review and discussion of critical audit matters arising from the current period audit of the Company's financial statements.

In addition, the Audit Committee discussed with EY its independence from the Company and the Company's management and EY provided to the Audit Committee the written disclosures and letter required from the independent registered public accounting firm by the applicable requirements of the Public Company Accounting Oversight Board for independent auditor communications with audit committees concerning independence.

The Audit Committee discussed with EY the overall scope and plans for their audit. The Audit Committee met with EY, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting.

Based on such review and discussions, the Audit Committee recommended to the Board that the audited consolidated financial statements for the fiscal year ended December 31, 2024 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2024, which is filed with the SEC. The Board approved this recommendation.

**Audit Committee:**

Catherine Long, Chair  
Catherine D. Rice  
Vernon B. Schwartz

The report of the Audit Committee does not constitute "soliciting material" and will not be deemed "filed" or incorporated by reference into any of our filings under the Securities Act or the Exchange Act that might incorporate our SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

## **PROPOSAL NO. 4: Ratification Of Appointment Of Our Independent Registered Public Accounting Firm**

The Audit Committee of our Board has appointed Deloitte & Touche LLP (“Deloitte”) to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2025. After careful consideration of the matter and in recognition of the importance of this matter to our stockholders, the Board has determined that it is in the best interests of the Company and our stockholders to seek the ratification by our stockholders of our Audit Committee’s selection of our independent registered public accounting firm. A representative of Deloitte will be present at the 2025 Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions. A representative of Ernst & Young LLP, our former independent registered public accounting firm, is not expected to attend the 2025 Annual Meeting.

Even if the appointment of Deloitte as our independent registered public accounting firm is ratified, our Board and the Audit Committee may, in their discretion, change that appointment at any time during the year should they determine such a change would be in our and our stockholders’ best interests. In the event that the appointment of Deloitte is not ratified, the Audit Committee will consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

### **Vote Required and Recommendation**

The affirmative vote of a majority of the votes cast at the meeting is required for approval of the ratification of the appointment of Deloitte as our independent registered public accounting firm for the fiscal year ending December 31, 2025. For purposes of the vote on this proposal, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. See “*About the Meeting (FAQs)—How many votes are required to approve the proposals?*” for additional information regarding the required vote for this proposal.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2025.**

## AUDIT COMMITTEE PRE-APPROVAL POLICY

The Audit Committee's policy is to review and pre-approve, either pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Audit Committee, any engagement of the Company's independent auditor to provide any audit or permissible non-audit service to the Company. Pursuant to the Audit and Non-Audit Services Pre-Approval Policy, which will be reviewed and reassessed annually by the Audit Committee, a list of specific services within certain categories of services, including audit, audit-related, tax and other services, are specifically pre-approved for the upcoming or current fiscal year, subject to an aggregate maximum annual fee payable by the Company for each category of pre-approved services. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved fee level, whether or not included on the pre-approved list of services, must be separately pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chair to specifically pre-approve engagements for the performance of audit and permissible non-audit services, provided that the estimated cost for such services shall not exceed \$250,000. The Chair must report all pre-approval decisions to the Audit Committee at its next scheduled meeting and provide a description of the terms of the engagement, including (1) the type of services covered by the engagement, (2) the dates the engagement is scheduled to commence and terminate, (3) the estimated fees payable by the Company pursuant to the engagement, (4) other material terms of the engagement, and (5) such other information as the Audit Committee may request.

# CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

## RELATED PERSON TRANSACTION POLICY

On January 30, 2018, our Board adopted, and on June 24, 2021, amended and restated, a written related person transaction policy setting forth the policies and procedures for the review, approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any financial transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest. Under the policy, related person transactions will be approved or ratified by the Audit Committee or a majority of the disinterested members of our Board.

## INDEMNIFICATION AGREEMENTS

We have entered into indemnification agreements with each of our executive officers and directors that obligate us to indemnify them to the maximum extent permitted by Maryland law. The indemnification agreements provide that if a director or executive officer is a party or is threatened to be made a party to any proceeding by reason of such director's or executive officer's status as our director, officer or employee, we must indemnify such director or executive officer for all expenses and liabilities actually and reasonably incurred by him or her, or on his or her behalf, unless it has been established that:

- ⇒ the act or omission of the director or executive officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty;
- ⇒ the director or executive officer actually received an improper personal benefit in money, property or services; or
- ⇒ with respect to any criminal action or proceeding, the director or executive officer had reasonable cause to believe that his or her conduct was unlawful;

provided, however, that we will (i) have no obligation to indemnify such director or executive officer for a proceeding by or in the right of our Company, for expenses and liabilities actually and reasonably incurred by him or her, or on his or her behalf, if it has been adjudged that such director or executive officer is liable to us with respect to such proceeding and (ii) have no obligation to indemnify or advance expenses of such director or executive officer for a proceeding brought by such director or executive officer against the Company, except for a proceeding brought to enforce indemnification under Section 2-418 of the MGCL or as otherwise provided by our charter or bylaws, a resolution of the Board of Directors or an agreement approved by the Board of Directors.

## OTHER MATTERS

### STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR 2025

Proposals received from stockholders in accordance with Rule 14a-8 under the Exchange Act are eligible for consideration for inclusion in the proxy statement for the 2026 annual meeting of stockholders if they are received by the General Counsel, in writing addressed to our principal executive office, on or before December 2, 2025.

Proposals received from stockholders submitted outside of Rule 14a-8 under the Exchange Act or for a director nomination must comply with the advance notice and other requirements set forth in our bylaws in order to be presented at an annual meeting. These requirements currently include, in part, the requirement that any such proposal or nomination must, with certain exceptions if the date of the 2026 annual meeting of stockholders is advanced or delayed more than 30 days from the first anniversary of the date of this year's Annual Meeting, be submitted to the Secretary of the Company at BrightSpire Capital, Inc., 590 Madison Avenue, 33rd Floor, New York, New York 10022 at least 120 and not more than 150 days prior to the first anniversary of the date of this year's Proxy Statement (or, based on the date of this year's Proxy Statement of April 1, 2025 between November 2, 2025 and 5:00 p.m., Eastern Time, on December 2, 2025).

In addition to satisfying the foregoing advance notice requirements under our bylaws, to comply with the universal proxy rules under the Securities Exchange Act of 1934, as amended, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act.

### HOUSEHOLDING OF PROXY MATERIALS

If you and other residents at your mailing address own common stock in street name, your broker or bank may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which you hold shares through that broker or bank. This practice of sending only one copy of proxy materials is known as "householding." If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If the foregoing procedures apply to you, your broker has sent one copy of our annual report and proxy statement to your address. You may revoke your consent to householding at any time by sending your name, the name of your brokerage firm and your account number to Broadridge Financial Solutions Inc., 51 Mercedes Way, Edgewood, NY 11717 or by calling 1-866-540-7095.
